INTRODUCTORY

This is the fourteenth year that The Christian Annual has gone forth under the present editorial management, and on this Thanksgiving Day, November 29, 1923, the editor sincerely thanks the church and conference officers, who have so kindly co-operated with him in its compilation.

This number, as all preceding ones, contains much valuable information which all conference, church, and Sunday-school officers should have, as well as all pastors. It contains quite a complete history of the year's work of the whole church.

The editor is very certain that the book is not free from errors, but he is equally certain that very great care was taken to have it free. Where he had to guess at the spelling of names, and determine post-office addresses by the location of the church, and made mistakes, he does not feel that the responsibility is his.

The editor sincerely hopes that this issue of The Christian Annual may prove its value to the ministers and church officials, and also be a pleasant visitor in many homes of the Christians. It contains information of great value to the members of the church. Ask questions about the Christian Church, and go to The Christian Annual for your answer.

This is not a book to be read, but an encyclopedia to be consulted. It is a desk book for the pastor, and a source of information to his members. It is a tool to be used, a source of knowledge from which to draw, and a history of work faithfully done by trusted servants of the church.

It may be ordered from The Christian Publishing Association, Dayton, Ohio. Price One Dollar.

The Department of Publications includes two of the most important lines of our denominational life. These two lines are closely related and are simply the right and left arms of the Department. The right arm is The Christian Publishing Association. The left arm is the Board of Publishing. The Christian Publishing Association is one of the most far-reaching and important agencies of the Christian Church. It publishes The Herald of Gospel Liberty.

The Herald is the official organ of the entire church and should be read by every member of the church. We speak more specifically of its importance in another paragraph. Another of its publications is The Journal of Christian Education, the official mouthpiece of the Department of Christian Education. Other publications are The Bible Class Quarterly, Young People's Quarterly, The Sunday School Herald, The Junior Quarterly, Junior Herald, Primary Herald, and Scripture Cards. These publications will be mentioned specifically under appropriate heads.

The Publishing Association also handles, through its book department, Bibles of every description and current religious books of all classes. It also handles the best books of fiction. Any book that is now on the market can be purchased through the Association. Order from the Association and you will receive prompt and efficient service.

The Job Department of The Publishing House is growing and becoming larger and better equipped all the time. All kinds of job printing done quickly and neatly. All these departments and the multiplied lines of the business of the Publishing House are under the careful and efficient direction of John H. Stwart, Manager. He is courteous in manner and gives to every one who has business with the House the kindliest treatment so it is always a pleasure to do business with him.

THE HERALD OF GOSPEL LIBERTY

Alva Martin Kerr, D. D., Editor

There has never been any movement that has become great and successful which has not expressed itself in literature and used the printed page to promote its cause. This is an historic fact which needs no elaboration. It is simply true, and true because no better way has ever been found to bind together the different members of any great organization and enthuse them with common ideas and purposes than printed literature. It is no theory, then, that some form of regularly printed literature, written and circulated for the particular interests of the Christian Church, is absolutely essential to the very existence of our denomination. It is a fact that permits of no argument among intelligent people. It is just as true that the effectiveness and value to our denominational life of this literature will depend upon how generally it is circulated and read among our pastors and people.

Now The Herald of Gospel Liberty has long been our one and only periodical of a general character that is intended for circulation throughout

our entire brotherhood. Our other papers each have their part to play in our denominational life; but The Herald is the one which is absolutely vital to our denominational existence. Through it, and through it alone, is given the general information, the common objectives, the binding elements of cohesion, which draw the entire brotherhood together and make of it one dynamic organization directed towards a common purpose. And one does not have to pursue an intelligent study of the question very far to see that undoubtedly one of the reasons of our slow growth and one of our greatest weaknesses at present is the fact that The Herald has been taken and read by so very few of our church members. By far the largest part of our church brotherhood has always been pathetically ignorant of our denomination and what it stands for and what it is trying to do, and consequently have had little or no appreciation whatever of its real value. Because of this they have had little loyalty to the Christian Church and have cared little about its welfare and growth.

Because of the very function of denominational periodicals, there can be little hope of any general and permanent betterment of our denominational life until there is a tremendous increase in the number of those who read our periodical literature. Thus the circulation of these periodicals becomes a most primary part of the work of every pastor and of every church. It is our failure, as a people, to see this fact which has been one of the most inherent causes of our lack of growth and organic vitality. This is no empty talk or commercialized argument for the sake of increasing the circulation of The Herald. It is simply the bare statement of facts and principles that are primary to denominational life. And no preacher and no church worker ought to be permitted to evade these facts and the resultant obligation which they place upon every pastor and every member of the Christian Church to take and read The Herald of Gospel Liberty and help to extend its circulation.

But it is not a matter of duty only of which we speak. It ought to be a matter of real pleasure to any Christian to read The Herald of Gospel Liberty, and it is certainly a matter of their uplift and expanded intelligence. For The Herald is coming more and more to be recognized as a periodical of peculiar merit. Its contributed articles are of high quality, and its editorials and editorial comment upon current events have attracted wide attention because of their intrinsic worth. The devotional material, Sunday-school and Christian Endeavor lesson notes, department news, and word from the various pastors and churches, together with exceedingly interesting children's page, stories and selections, compose a periodical which any Christian home should learn to love and in which every member of the family, young and old, will find something interesting and helpful. So, both from the standpoint of denominational relationship and of individual uplift and inspiration, The Herald of Gospel Liberty is worthy the unfailing friendship and help of our pastors and people everywhere.

THE JOURNAL OF CHRISTIAN EDUCATION

By W. A. Harper, LL. D., Editor-in-Chief

The Journal of Christian Education is a pioneer in its field of religious periodicals. It aims to present a constructive program of correlation for the diversified and oftentimes competing agencies of Christian Education.

The Christian home, the school and playground, social, missionary, recreational, and benevolent organizations, as well as the Sunday-school, the Week-

Day Religious School, the Daily Vacation Bible School, Christian Endeavor and the institutions of higher education of the Church, all of them find a mouthpiece of expression and a keyboard of harmonious adjustment in The Journal of Christian Education.

There are many agencies of Christian Education. They are all good or we would not have them. They all react on the same child, however. The Journal of Christian Education has set itself the task of so correlating and integrating these agencies and their programs that a coherent view of the Christian life may be given and a unified impact made on the character of youth.

One of the serious problems of this correlation program is the curriculum. The Journal of Christian Education recognizes this and carries a treatment of the Uniform Lessons and of the Christian Endeavor Topics that correlates and unifies these two hitherto unrelated organizations. This feature of the Journal should win for it a steadily growing clientele. Mr. Hermon Eldredge writes these comments and that is guarantee of their excellence.

Special numbers of the Journal will be issued from time to time. For example, the November issue was the Thanksgiving number. December was the Christmas number. January will be the New Year number and February the Boy Scout number.

The Journal should be in the hands of every officer, teacher, and leader of any church organization. The pastor should certainly have it too. It may well be made the basis of discussion of the Worker's Council meetings. The price is $1.00 per year to a single address; seventy-five cents each to clubs of five or more; ten cents, the single copy. Put it in your Sunday-school literature order. Once there, it will stay there.

THE BIBLE CLASS QUARTERLY

S. Q. Helfenstein, D. D., Editor

The name of this publication suggests a quarterly for those who wish to study the Bible. The quarterly was started some time in the seventies and Dr. Coan was its first Editor. It was fitting that a Bible loving people should have a quarterly devoted to the dissemination of Bible truth. The great Teacher said, "If we know the truth, the truth shall make you free." The Bible Class Quarterly seeks to impart such knowledge of God's truth as will enlighten, instruct, inspire, and stimulate to Christian activity. A quarterly that would help one understand the Bible should be spiritual. To this end, the editor seeks to set forth spiritual ideals rather intellectual necessities which may please the fancy without edifying the soul. There is no desire to introduce, or emphasize controversial subjects or introduce matters that will lead to unprofitable debate. The desire is so to cover the scripture assigned for the lesson that those who have carefully studied the lesson in the quarterly will have some idea of the subject set forth by the Lesson Committee. The editor would like to make some improvement in the work of outlining the lessons and making it possible to grasp the main features of the subject more readily.

For two years now the quarterly has come from the press on time. This is a feature that is gratifying both to the editor and the mailing clerk. As a result the quarterlies stand better chance of all being sold. The clerk says, he wants to feel that he is serving the public, that is, doing more than just

filling in the time, so that when the quarterlies all go out on time he feels that he has been a help to those whom he serves. With one exception, the clerk said the Bible Class Quarterly has been all sold each quarter for the last two years, the current quarter included.

The object of the Bible Class Quarterly is to show the beauty and power of God's truth, for God's word is living and powerful, and the editor desires so to illucidate the lessons as to enable those who study the quarterly to see the beauty and experience the power of God's Word. "How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good."

YOUNG PEOPLE'S DIVISION

By Hermon Eldredge, Editor

This is the first year of your editor in this division and we are greatly cheered both by the good words from the field and the co-operation of the officers of The Christian Publishing Association, and their desire to give the best possible service to our young people.

Young People's Quarterly

At the suggestion of your editor the name of the *Intermediate Quarterly* has been changed to the *Young People's Quarterly* and its typographical appearance changed and improved. The aim of this quarterly is to give the comment on the International Uniform Lesson in such a way as to appeal to boys and girls of high school age and at the same time realizing that many are not in high school and many are at work and need practical presentation as well as vision and incentive.

The Sunday School Herald

This paper has the largest circulation of any of our periodicals and beginning January 1, 1924, its appearance and its content are to be improved with a new heading and make-up and the addition of new stories and features and cuts. We trust and believe that we can greatly expand the usefulness of this paper in our Sunday-schools and homes where so much that is not always helpful to young life finds its way.

CHILDREN'S DIVISION

By Mrs. F. E. Bullock, Editor

Of Junior Quarterly, Junior Herald, Primary Herald, and Scripture Cards.

The Primary Herald contains the Primary Lesson. The Junior Herald has only recently been changed from a Primary paper, containing the Primary lesson to a Junior paper. The only lesson now in that paper is the topic and memory verse for the Sunday-school Lesson for the following Sunday and the Junior Christian Endeavor Topic for the Sunday of issue. We are striving to make this a really worth-while publication, with a continued story, puzzle section, etc. It is taking some time to get this into "going" shape, but we are hoping during the coming year to make it a very good boys' and girls' paper.

The Primary Herald is our new publication, contains the Primary Lesson and stories for children younger than those for whom the Junior Herald is prepared. The Junior Quarterly of course contains the Junior Lesson. Since it has had a new "dress" and more room given for material for boys and girls, it seems to be appealing to them more and more. Especially does

the song on the back cover page appeal to them, and I have received numbers of letters from the children in answer to letters to them. Nearly all comment on the song on the back and on the "new" quarterly.

CIRCULATION

A. F. Chase, Manager

For many years the Publishing Association has felt the need of a Circulation Manager, but not until our last Board meeting did conditions seem favorable to add this new and very important line of activity, so at its annual meeting, October 16th to 19th, the Board of Trustees of The Christian Publishing Association feeling keenly the need of a larger circulation for our denominational literature both of The Herald of Gospel Liberty and our Sunday-school supplies, decided after careful deliberation that there should be some one appointed to devote his time to this work. Mr. Chase was interviewed by a committee from the Board with a view of securing his services for said position. After careful and prayerful consideration, with hesitancy, his consent was given to take up the work. He realizes, at least in part, the importance of the position and the arduous duties that it carries with it. That it is a heavy responsibility, none of his brethren will for a moment question. He says, "I do not plan to undertake the work and try to carry it forward to success in my own strength for I know I would only fail. I feel that the call for this service is of God and that it is his work and that I as his servant, though unworthy, must look to him for strength and guidance. The work is a worthy one and I shall give it my best efforts believing that I will have the finest and fullest co-operation of all the brethren, which I most earnestly covet."

Mr. Chase has been associated with The Christian Publishing Association, serving in different capacities, for the past seventeen years and has watched with much interest and many times with much anxiety, the growth of our work as a denomination and believes that we have in many instances, neglected to go forward and claim the things that God intended to be ours.

However, he feels that a new day for the Christian Church is here, that we are, as never before in our history realizing our responsibility to God and our fellow-men and under the guidance of the Holy Spirit we are going forward at his command.

In order to conserve upon the work being done by our field workers and various departments it is absolutely essential that we have some definite means of getting and keeping our entire membership informed as to plans formulated and means to be used in carrying forward the work to be accomplished in God's name. To do this our denominational literature must not only go into the homes but must be read by our people. Our membership in numbers is at present about 100,000. The Herald of Gospel Liberty now is going into fewer than 4,000 of the homes represented by the 100,000 membership.

This is a serious condition and is one that not only should but must be remedied if we as a church are to accomplish our mission. To do this is going to require carefully and prayerfully laid plans, carefully and prayerfully executed. The work can and must be done.

The pastor is the key man to the situation. With his fullest co-operation The Herald can be put into the homes of his parish by making the canvass

himself, a commendable thing for any pastor to do, or to see that it is placed in the annual church budget and paid for by the church or that some reliable person or persons, or some Sunday-school class or society takes up the work and carries it to a success. Any pastor doing this will find The Herald a fine assistant to him in his work for the salvation of men and the growth of the Kingdom. If this work is left undone it will not only mean a great loss to the individual but to the church, the denomination, and the Kingdom. In fact, our denominational work has suffered in the past, is suffering today, and will continue to suffer in the future unless we arise to our task of getting and keeping our membership informed.

Our Sunday-school literature is second to none and yet many of our schools are using literature other than our own either because it can be purchased for a few cents less than the literature of their own Publishing House or because of the worldliness of the stories and other material making up these supplies. It is the purpose of our editors when preparing the stories and lesson material to present them in such a way that they will enable the teachers to win our boys and girls to Christ and build up strong Christian characters.

Brother Chase hopes and prays that through the co-operation and loyal support of our pastors, superintendents, and teachers to get all our schools now using other supplies that are not only foreign to our growth but a hindrance, to return to the use of our own and their own literature.

Books and Supplies

Our Publishing House is in position to furnish all our pastors, laymen, churches, schools, and societies with any and all books, hymnaries, song books, and supplies of all kinds that they may need for carrying on their work. When in need of any of these do not hesitate to write The Christian Publishing Association, Dayton, Ohio, your requirements and it will be pleased to serve you in every way possible. A postal card will bring you a copy of our supply catalogue.

THE BOARD OF PUBLISHING

O. W. Whitelock, Chairman

The Board of Trustees of The Christian Publishing Association is *ex officio* the Board of Publishing. In this capacity it is the left arm of the Publication Department. It administers the fund that comes to the Publication Department of The General Convention of the Christian Church. The publications by this Board are for free distribution among the members of the Christian Church. These publications have been for the most part historical and relative to the basic principles of the Christian Church with an occasional outstanding address ordered printed by the General Convention. It is and has been the policy of this Board and the secretary of Publications to publish only such addresses or writings that are of general and far-reaching benefit to our church. The Board has in mind also, that in addition to booklets on our basic principles, articles should be published and distributed freely which will advertise our church and give us favorable and strengthening influence and standing without the Church and inculcate a greater degree of loyalty within. We have been too modest in the past. We believe a little "blowing of our own horn" would be beneficial both without and within the church, but this must be done in an attractive way and by a master hand. The secretary of the Department of Publications would be glad for suggestions

that are worth while and which would give us favorable consideration among strangers and at the same time make more of our members intensive supporters of our plans for Christian Education and our broader fellowship and the unity of all Christians.

The Board of Christian Education is now duly incorporated under the laws of the State of Ohio.

During the period since January the first, nineteen twenty-three, the Board has been adjusting itself to the performance of the heavy responsibilities placed upon it by the General Convention. Many things are yet to be done. At least twenty years will be required to achieve what is expected of this correlated Department of Christian Education. There is no doubt that in the main the Board is working in the right direction. Workers in Christian Education outside our Church are deeply interested in our plan of reorganization and have made diligent inquiry into it. Dr. Walter S. Athearn is using our twenty-four page pamphlet, setting forth our plan, in his class work in Boston University.

We greatly rejoice in the co-operation between our Board and the Department of Publishing, whereby Mrs. Bullock and Mr. Eldredge are editors of the Children's and Young People's literature respectively as well as field secretaries of our Board. But for this splendid co-operation we could not go forward in our work. The two boards share equally in the salaries of these officers.

The work of the Home Mission Department has been extended in the last few years until now there are several fields of activity. They are in Church Sustentation, Conference Field Work, Educational Work, Church Extension,

Missions to Mountaineers, Lumber Camps, Negroes, Indians, and New Americans.

The budget adopted for this year in the home mission enterprises, not including the loan funds for Church Extension, is $36,345.00; added to this there is the hope that we may raise about ten thousand dollars per year for the work of church extension.

Two of the churches supported by home mission money have gone to self support during the year: the Shiloh Church near Dayton, and the Olney, Ill., Church. Work has been started in other fields where very little has been done by the Board before. The church at Lynn, Mass., is being opened and men have been sent to strategic churches requiring better support in Everett, Pa., East Hounsfield, N. Y., and Franklin, Ohio, and an entirely new work is being started in Riverdale in Dayton, Ohio. A new Sunday-school has also been started in connection with our Brooklyn work in Hyde Park looking to the establishment of a church as soon as possible. Twenty-two churches will receive aid from the Church Sustentation work during the coming year. Action was taken at the Board meeting congratulating the church at Olney, Ill., for having paid their debt and undertaken self support and also the church at Shiloh for the excellent attainments that they have reached and the fine outlook for the future of the field. Special mention was made of the work at Columbus, where there has been such a splendid increase in membership and interest. Measuring from actual results to the Kingdom the work of sustentation of churches is perhaps the best that is being done by the Department.

Appropriations were made this year to thirteen conferences for Field Secretary work. In several of the conferences pastors have been employed to give a part of their time to the field work, becoming responsible for placing pastors in pastorless churches and securing property as well as getting the denominational programs before the churches. It was decided that the policy of the Home Mission Department would have to be changed. It has been the policy that if any conference employed a field man that the Board would pay half of his salary. After this the field work of the conference is to be considered according to the merits of the case and appropriations made on the same plan as to individual churches. The enlarging of the field work makes this a necessity because of the limitation of the support. The results of our field work during the last year have been most encouraging.

The educational work of the Board is in having a large share in the Summer Schools for Pastors. It was decided to enter into a better co-operation with the Board of Christian Education and to extend the work of the Summer Schools so that it might include other church workers. The definite arrangements for the schools were placed in the hands of a committee from the two Boards.

The Church Extension has grown to the place where we now have over $32,000.00 loaned to churches for parsonages and church buildings. All of the money for that purpose is now loaned. Three churches were given the preference by the Board. The church at Vanderveer Park, Brooklyn, N. Y., Columbus, Ohio, and Walnut Hills, Dayton, Ohio. The policy in regard to the loans for church extension is also changed. Churches are to be allowed to borrow for five years at four percent per annum and at the end of that time if the money remains unpaid the interest is increased to six percent per annum.

It was decided by the Board that the Secretary work out a plan for raising a large church extension fund as soon as possible aside from the regular funds.

For a number of years the Home Mission Board of the Southern Christian Convention has been carrying on a work among the mountaineers of Virginia at Fancy Gap. They now have a school and church combined and are building a parsonage for the pastor, who is soon to be on the field and for a home for the women workers who are there now. They have asked the Home Mission Department to co-operate with them in that work and to take the responsibility for the work at Rocky Ford near to the other point and where we have already organized a Sunday-school. It was decided to make this a special in the home mission work and begin the support of a teacher at that place at once and then as soon as possible to build a combined church and schoolhouse such as the one at Fancy Gap and begin the same type of work over there.

The Board voted to continue the Lumber Camp work on the same basis that it has been done. As the timber is cut off and the camps move they are much more difficult to reach so that the missionary is having to walk farther all the time. The work is changing also in that more foreign labor is being introduced so that there is opportunity to teach American ideals with the Christianizing influences. The Board decided that the influence of the church at Montesano was such that we must continue our support to it so that the Logging Camp work may find opportunity to tie its work with the more permanent work at Montesano as a sort of base from which to work out.

While the Home Mission Board has no direct control of Franklinton it does aid in the support of the work there. The appropriation of $1,000 was made to the work. The Home Mission Secretary as President of the Board of Control makes an official relationship so that Franklinton receives consideration in the work of the Board. The fact that already one hundred and fifty students have applied for admission and that many of them will have to be denied entrance because of the scarcity of room makes the Mission Board realize that they will have to back, in every way possible, the Board of Control in their efforts to raise money to build a new dormitory.

Appropriation was made for the salary of Elizabeth Howsare, who is working under the direction of the Indian Commission of the Home Missions Council and the Council of Women for Home Missions. Miss Howsare is directing the religious work for Protestants in the Roosevelt School for Navajo Indians at Ft. Apache, Ariz. There are to be during the year, about three hundred and fifty Indian children in this school. The opportunity for Christianizing them at the same time that they are receiving their education and forming life impressions, makes this a most vital work which cannot receive too much emphasis. Our worker is succeeding in a fine way in getting started.

In the work for New Americans at Haverhill, Mass., we have been compelled to vacate our community house where the work was being carried on even more than at the church. We have started a plan to buy a house and furnish it just as fast as possible for our social service work to these people.

Both Miss Kirkendall and Miss Youmans are to remain in the work, which will be aided somewhat also by Rev. A. C. Youmans, who is to become the pastor of the church. The appropriation to this work altogether is nearly four thousand dollars beside the money that it will take to buy the home.

The total appropriations for the regular work amount to $36,345.00 including the administration expense of $5,200.00. The Board has, in addition

to this, asked the Secretary to plan for the raising of $10,000.00 per year for the next five years for church extension, $8,000.00 additional for the New American Work, and $5,000.00 for the Mountain Work, so that the total really needed for our home mission enterprises for the coming year amounts to nearly $55,000.00.

It was decided by the Board to adopt the following standards for city and country churches receiving home mission aid:

For the City Church—

1. That the pastor shall be college trained or shall have had a successful pastorate.
2. That he shall give full time to the work.
3. That the church shall have a definite program including evangelism, devotions, stewardship, Christian education including the study of missions, and some form of social service.
4. That the program of stewardship and finance include an every-member canvass with a weekly offering for missions and benevolences as well as for local expenses, using also the budget system.
5. That the church plan adequate equipment for its present and future program of work if such equipment is not already possessed.
6. That our own literature be used in the educational work.

Rural Church—

1. That the church have or make a survey of the community locating upon a map the homes, indicating the membership, other churches, and schools.
2. That the pastor be college trained or be willing to attend Pastors' Summer School.
3. That the church have not less than half-time work and that preference be given to full-time churches with pastors living on the field.
4. That the church co-operate in the denominational program of evangelism, devotions, Christian education, stewardship, missions, and some form of social service; and that the program of stewardship and finance include a church budget and the every-member canvass with an offering to missions and benevolences at all regular services as well as for local expenses.
5. That it have or plan for adequate church equipment for its program.

Last year we received for the home mission general fund, including the Forward Movement receipts, $33,253.59. This year the receipts also including the Forward Movement funds amounted to $32,194.99, a difference of $1,058.60.

Some of the above figures do not agree exactly with the statement of the Treasurer, as some of the funds like the Church Extension in disbursements were not new receipts. We have shown the financial status of our home mission work, however.

Our Church Extension loans now amount to $32,003.62, which ought to be increased to $50,000 just as fast as possible.

1923

In addition to the usual regular work in each of our foreign fields which has been continued with a normal increase in volume and attainment during the past year, the following outstanding forward steps as planned last year have been taken:

A house and lot have been purchased at Moka in the Utsunomiya field, the house being remodeled for a parsonage and a building constructed for kindergarten and church purposes, cost $2,500, which was furnished by the Woman's Board.

The debt of about a thousand dollars incurred last year in acquiring the new parsonage-preaching place at Otawara in the middle field has been paid.

The parsonage-preaching place at Narugo, begun last year, has been completed and dedicated free of debt. Cost $1,150. A new kindergarten has been started in this field.

We have entered permanent arrangements by which we are affiliated with the Disciples, Evangelicals, and Methodists in the latter's theological school in Japan, Dr. Woodworth becoming a teacher on the faculty and our students being given equal privileges with all others.

We have entered into the New National Christian Council of Japan. We have opened a new branch of our circulating library in the Utsunomiya field, and enlarged our part in the co-operative newspaper evangelism of Japan.

Miss Angie Crew, graduate of Defiance College, has gone out as our new missionary to Japan, and Mr. G. Sano, after twelve years of preparation in America, is now located and doing splendid work at Ichinoseki, in the Sendai field.

Another pastor has been added; a new station opened in the Sendai field, and a new Bible woman has been secured. One kindergarten training student has been graduated and employed while another theological student has been enrolled.

Work begun on the new building program at Tokyo was halted by the earthquake and it is impossible to tell what will be necessary to continue, until further word from Japan.

A new plan of co-operation with the Japanese Christian Conference has been launched, placing more responsibility of administration upon the Japanese brethren and looking to increasing self-support. This is perhaps the outstanding achievement in the Japan field for the year.

The Porto Rico field shows a steady gain in every department, including a forty percent increase in pastoral support.

The new chapel at Santa Isabel has been completed and dedicated at a cost of approximately $13,000, of which there is an indebtedness of $2,299.65. The building is one of the best on the island for its size, containing eight or nine Sunday-school rooms and a splendid auditorium.

Mr. and Mrs. Bruce Morton of Newmarket, Ont., have been sent to Porto Rico this year to develop industrial mission work.

Mr. Victor Rivera, a graduate of Elon College, has also been sent back to his native land to become director of our young people's work there.

A small piece of land has been purchased adjacent to the present lot on which the Ponce mission home is located.

Co-operative work in both fields continues with gratifying results. In Japan we co-operate in the Theological school, the school for American children, the Japanese language school, the newspaper evangelism, the Japan Christian Council, the Union church and kindred objects. In Porto Rico we co-operate in the Union Seminary, the Union Literature program, the Evangelical Union of Porto Rico, and other undertakings. In this country we co-

operate in the Foreign Missions Conference, the Missionary Education Movement, the Committee on Co-operation in Latin America, and the Foreign Relations Committee of the Federal Council.

The present indebtedness of the department is $5,369.99. We have added during the past year $4,833.33 to our permanent funds.

The new work in China did not materialize because of the withdrawal of the men upon whom we had counted to lead the undertaking.

During the year the Foreign Mission secretary has attended several interdenominational mission conferences and assisted in putting on a great World Mission Congress in several cities in co-operation with the Foreign Missions Conference. He has prepared countless circular and personal letters, articles and display pages for the church papers, and a thousand posters for the Foreign Mission Campaign. He also wrote three leaflets, which together with one written by Mrs. Morrill were published, totaling about ninety thousand copies. He has edited *The Christian Missionary* throughout the year and spoken in all, with and without the stereopticon, from one to six times in seventy-seven different churches of sixteen different conferences, twenty institutes and conference sessions and numerous special occasions totaling about one hundred fifty addresses. In so doing he has traveled 17,435 miles and reached with the spoken word 16,673 people.

A resolution was adopted expressing appreciation to our young people, who under the leadership of Miss Carrie Robison did so much to make possible the splendid new building at Santa Isabel, Porto Rico.

A resolution was also adopted expressing our appreciation to the young people and to those Sunday-schools and Christian Endeavor societies, which raised a total of over three thousand dollars last year, thus enabling us to send five new workers out during the year.

The sending out of these five workers and the completion and dedication of two parsonage-preaching places in Japan and the new chapel in Porto Rico are among the outstanding accomplishments of the year, which was one of the best for many years in point of new undertakings carried out.

1924

For the year ahead in addition to the regular work, the Foreign Mission Department plans the following undertakings: To bring Miss Stacy home from Japan for her regular furlough, most of which will be spent in special study along the lines of kindergarten leadership, social service, and Bible.

To send Mr. Taizumi out in the spring to become pastor of one of our churches in Japan. He is a graduate of Defiance College and Oberlin Seminary, and is now completing his Master's degree at Chicago University.

We are seeking for another missionary family to go to Japan as soon as possible.

We plan to unite in the erection of a Union Church in Tokyo for English speaking people.

Co-operation in the support of Sendai Christian Orphanage will be increased by assuming one hundred twenty-five dollars a year for five years in addition to the support of some seventeen orphans now being provided by as many organizations of our church in America.

The Foreign Mission secretary has been instructed to secure as quickly as possible accurate facts concerning the extent of our losses in the recent

earthquake and the probable cost of reconstruction, and to make an appeal to our whole people to give this full amount by Christmas, and that this in no case should diminish their regular giving for the maintenance of our regular Foreign Mission work.

The Board reiterated its endorsement of the dormitory plan previously adopted and plans to proceed with the first one as soon as funds are available.

The Barretts are to come home in the spring for their regular furlough of six months.

The Mission Home in Ponce is to be given much needed extensive repairs.

A new main station is to be opened in Penuelas, Porto Rico, with Mr. Romero, who is to graduate in February from the seminary, in charge. This will make five main stations instead of four as at present.

We hope to secure at least $700 aside from the regular budget to make it possible to secure a parsonage for the pastor of Arus station. He must now live in Ponce and travel back and forth to his field.

Mr. Rivera is to launch a constructive program of young people's work with special emphasis on Christian Education and Evangelism.

The churches of Porto Rico have adopted a program for the coming year calling for an increase of twenty-five percent in self-support over that of last year.

It was decided to send a representative of the Board to Porto Rico to attend the celebration of the 25th anniversary of the founding of Protestant Missions in Porto Rico. This celebration is to be held some time soon after the first of the year.

The following budget was appropriated:

Miscellaneous		$12,350.00
Japan		
Regular	$30,205.00	
Special	3,525.00	33,730.00
Porto Rico		
Regular	13,015.75	
Special	2,197.00	15,212.75
Total budget for year 1924		$61,292.75

We shall need a fifteen percent increase in our offerings to make this possible.

For the home base cultivation the coming year, the Foreign Mission Department plans to continue its field work including local church and conference visitation with missionary addresses and stereopticon lectures, also the developing of the Missionary program in the Sunday-school and Christian Endeavor and the Mission Study Class. In connection with the Foreign Mission period we plan to get a number of picked churches to put on in each a six weeks' Church School of Missions, using the prayer meeting night for the six weeks leading up to Foreign Mission Day, second Sunday of March or nearest convenient date. The mission study books for this year embrace the study of Japan and in addition to the regular material we have prepared a series of six leaflets on our work and also biographical sketches of all our missionaries.

We plan to issue another leaflet with a map of Japan showing our mission fields and briefly describing each.

You will note that because of the pressing financial demands which have been intensified by the results of the earthquake, the Board has been compelled to defer action on the following requests of the Japan Mission: The building of the Azabu church and the parsonage, the granting of funds toward the new American School building, the purchase of a cycle car for the mission, and the opening of a new station in Tokyo. We have also had to defer the construction of two very much needed parsonages and a mission home in Porto Rico.

Thus, practically all advance work in Japan and Porto Rico was left unprovided for until the cost of reconstruction is determined and whatever building is done this year will have to be for restoring damaged property and will depend upon the response of our people to the appeal for the Japan Earthquake Relief and Reconstruction Fund.

With the year just closed standing out as one of the greatest, if not the greatest, in point of actual accomplishments in new buildings acquired, new workers secured and new work begun, we ask only the loyal support of our whole church to enable us not only to overcome the effects of the earthquake, but to make possible a continuance of the splendid progress of the past year.

Department of Evangelism and Life Service

R. C. Helfenstein, M. A., D. D., Secretary
Rev. McD. Howsare, Dayton, Ohio, Executive Secretary
Members of Board

Rev. R. C. Helfenstein, 109 S. Bradford St., Dover, Del.
Rev. Geo. D. Eastes, 2 Hatton St., Portsmouth, Va.
Rev. Willoe J. Hall, R. R. 1, Dayton, Ohio.
Rev. Clarence Defur, Wakarusa, Indiana.
Rev. Ernest D. Gilbert, Conneaut, Ohio.

In response to the call of the General Secretary, R. C. Helfenstein, the Board met in its annual session at 10:00 a. m., October 16, 1923, in the Department Headquarters, Room 23, C. P. A. Bldg.

Members present at the Board meeting: Helfenstein, Defur, Hall, and Gilbert. Rev. Geo. D. Eastes, the other member of the Board, sent his sincere regrets for not being able to attend. The Executive Secretary, Rev. McD. Howsare was also in attendance at the various meetings of the Board.

The four year program of proposed activities, as outlined by the Board at its meeting one year ago, was reviewed to ascertain the accomplishments of the past year.

On account of the resignation of Rev. W. J. Hall, Rev. McD. Howsare was employed as Executive Secretary and Field Worker, beginning his work January 8, 1923. As the work of the Department was new, the task of the Field Worker naturally was not an easy one. But to the great satisfaction of the Board, he has accomplished a really worthwhile work. Letters of sincere appreciation coming to the General Secretary from the pastors and conference officials relative to the service rendered by Brother Howsare, and the encouraging responses that have come to the General Secretary of the

Department as he has represented the Department on convention and conference programs, is evidence convincing to the members of the Board that there is a real need for the Department of Evangelism and Life Service in our denominational work.

In every way possible the Department has sought to assist the pastors and churches in carrying on a systematic Evangelistic program throughout the year and to stress the importance of laying due emphasis on Evangelism and Life Service in all the conferences and churches.

Since January 8, 1923, our Executive Secretary, Rev. McD. Howsare has rendered the following specific service to the denomination in carrying out the program of the board:

Sought to carry out instructions of Board—

By making one hundred thirty-eight addresses stressing a year round constructive program of evangelism. Urging pastors to a renewed activity in their churches in soul winning.

Has traveled from Maine to Missouri visiting forty-four churches and sixteen conferences. Had place on eight conference programs and furnished speakers for many others.

Had a place on faculty of three Pastors' Schools, at Defiance, Albany, and Union Christian.

Held six Institutes on Evangelism, in some cases co-operating with the Departments of Christian Education—Missions and Stewardship.

Held special seven day meetings at Westboro, Ohio, majoring in personal evangelism. Also held a meeting at Maple Rapids, Mich. The church had been without a pastor four years. The church called pastor for full time at close of meeting.

Spoke on Evangelism at State Sunday-school Association meeting also at Montgomery County Association meeting—much courtesy shown us interdenominationally.

Secured the creation of Department of Evangelism in the Western Convention. The election of a Secretary for that Department and also the creation and selection of a Department Secretary in several Conferences. Has stressed conformity to organization of the General Convention of our church.

Has taken subscriptions for Herald of Gospel Liberty, Christian Missionary, Sunday-school Literature and has sold books for Christian Publishing Association.

Received money for Forward Movement and gave much general information concerning our denominational activities.

Has sent literature and letters to every pastor in our church. Thousands of pieces have gone out from our office. Several new pieces were prepared and printed.

A Life Service Flag has been designed and adopted. First one was unveiled at Defiance College with fifty-one stars on it representing fifty-one Life Service recruits. Flags have been unveiled in half a dozen churches already. Many inquiries have been received concerning it.

Letters and new pledge cards have been sent out to all persons previously secured. Local organizations have been effected on Campuses of Defiance, Albany, and Union Christian Colleges for Life Service Recruits.

Tentative plans of Board have been carried out in securing office and equipment, located in Room 23, C. P. A. Building. Visitors always welcome.

Material has been furnished for allotted space in Herald of Gospel Liberty each week, and list of accessions to churches reported.

Have kept on hands Life Service pageants and special programs for Life Service promotion.

Pastors have been aided in securing helpers both for preaching and singing Evangelistic Campaigns. Has been instrumental in helping some churches secure pastors.

List of best books on subject of Evangelism and Life Service has been secured and is now on hands at Headquarters.

Has secured one hundred and fifteen reports aggregating 1,558 gain in membership. If others did proportionally as well, there has been creditable gain in membership. Quite a number of those responding had more than ten percent in gain.

Executive Secretary was received most cordially everywhere.

In addition to the service rendered by Bro. Howsare, the General Secretary of the Department, R. C. Helfenstein has rendered service without remuneration, having given eighteen addresses in the interest of the Department, visiting the New York Eastern Conference, the Ontario Conference, the New England Convention, the Rhode Island and Massachusetts Conference, the Elon Chautauqua and School of Methods, and spoken on the Federal Council Evangelistic Team in part of its itinerary and arranged with Dr. Denison and Dr. Coffin to accompany the Federal Council team in its western tour last January. The General Secretary also delivered one of the addresses at the dedication service of the new Orphanage at Carversville, Pa., and delivered the opening sermon for our new church in Richmond, Va. In addition to these services the General Secretary has attended the regular meetings of the Commission of Evangelism and Life Service of the Federal Council.

The Budget allowed the Board for the year was $5,550.00. During the first eight months of the year, which time naturally required the heavier expense than will the latter part of the year, owing to the securing of office equipment, stationery, literature, etc., the Board has expended $4,055.13. In addition to this amount the General Secretary has received $127.30 from the conferences to apply on expenses, and the Executive Secretary has received $76.80 similarly, which amounts have been returned to the Superintendent of the Forward Movement. The Board has thus been able to keep within the limit of its appropriations.

In view of the fact that the office furniture and equipment have been secured, the Board has cut down its budget for the coming year to $4,920.00, which amount is the very minimum that will enable the Board to do its work, and which amount is requested to be appropriated by the General Board according to the plan of the past year.

During the coming year the Board will continue the execution of its four year program as adopted by the General Board last year, and as a means of realizing the goal, the following additional recommendations have been adopted.

1. That the Executive Secretary, during the year get in touch with at least six pastorless churches for conducting a week's evangelistic effort and seek to conserve results of same by assisting in locating pastors.
2. That during the coming year the Executive Secretary endeavors to put on at least six simultaneous evangelistic meetings of a week's duration in six of our conferences.
3. That we adopt "Gage's Evangelism of Youth" as the textbook on Evangelism for the ensuing year for our churches and pastors, and furthermore, that the period from November 1 to December 15 be designated as a suitable time for conducting training classes.
4. A Worker's Library is to be created of the best books on Evangelism and Life Service, the same to be loaned to our pastors and other Christian workers; borrowers merely paying the postage.

The Board has furthermore outlined a special program of evangelistic effort to be known as "Kingdom Enlistment Week." The Executive Secretary to hold demonstration services in putting on the proposed program in six

churches during the year in addition to the other duties assigned him. The outline of the program is as follows:

The members of the Board feel that the Department of Evangelism and Life Service, which is the youngest child of the General Convention, will grow in influence and be of most valuable service to the denomination in the future, if it is properly fostered during its infancy. Having been created by the General Convention, the Department depends upon the General Board for its sustenance and its perpetuity, and therefore looks to the different Boards for every encouragement and help.

The Forward Movement of the Christian Church

Rev. Warren H. Denison, Superintendent

Headquarters—21 Christian Publishing Association Building, Dayton, Ohio.
Superintendent—Rev. Warren H. Denison, D. D., Dayton, Ohio.
Treasurer—Mr. J. O. Winters, Greenville, Ohio.

The Burlington Convention elected the Executive Committee of the Convention as the committee on Forward Movement:

Rev. F. G. Coffin, D. D., Albany, Mo.
Rev. D. B. Atkinson, D. D., Albany, Mo.
Rev. J. F. Burnett, D. D., Dayton, Ohio.
Rev. O. S. Thomas, D. D., Dayton, Ohio.
Rev. W. P. Minton, D. D., Dayton, Ohio.
Rev. R. C. Helfenstein, D. D., Dover, Delaware.
Rev. E. A. Watkins, D. D., Urbana, Ill.
Rev. C. H. Rowland, D. D., Greensboro, N. C.
Pres. W. A. Harper, LL. D., Elon College, N. C.
Mr. J. G Myers, Pleasant Hill, Ohio.
Hon. O. W. Whitelock, Huntington, Indiana.

The Executive Committee elected as an advisory committee to the Superintendent, members:

Rev. F. G. Coffin, D. D.
Rev. O. S. Thomas, D. D.
Rev. W. P. Minton, D. D.
Pres. W. A. Harper, LL. D.
Mr. J. O. Winters

Effort has been made more fully to incorporate the aims and purposes of the Movement in the life and activity of all the churches and conferences. The Convention at Burlington itself changed its own constitution so as to more permanently embody the entire program of the Movement. It planned for a Board of Evangelism and Life Service and for a Board of Christian education to carry on the work of the Movement along those two lines. The Convention also planned as a temporary arrangement for a Department of Stewardship, Promotion and Social Service; and for the work of the Department of Devotion to be carried on by the Board of Evangelism and Life Service.

Much emphasis has been given to the importance of having every church carry out the denominational program as adopted by the Executive Board and the Convention itself as follows:

Evangelism and Life Service	January and February
Foreign Missions	March and April
Home Missions	May and June
Christian Education	July—October
Stewardship and Devotion	November and December

We are glad to note that there is a finer spirit of co-operation developing steadily among our people. This program should still have continued and greater emphasis.

The Forward Movement is a temporary organization, but its objectives are to become the permanent work of the denomination through incorporation in the churches and conferences. Many churches are adopting changes in their constitutions and placing therein the five departments of Devotion, Evangelism and Life Service, Christian Education, Missions, and Stewardship and Finance. Some, for local reasons, are subdividing the work of some departments but covering the same work. In the same way a number of conferences have this year changed their constitutions, and others are giving notice for change next year, so as to embody the five points of the Movement and the denominational program. Most of our conferences also include a Department of Publications. This department is not advisable in the local church as that work comes under the department of Christian Education, but we do regard it advisable and practical for the conferences to include it in their constitutions.

The Superintendent is trying to get every church and conference to catch the spirit and content of the Movement as a denominational program; he is seeking to incorporate it into the working program and organization of the churches and conferences; and is endeavoring to stress the note of larger denominational co-operation on the part of pastors, churches, and conferences. To accomplish these aims, he has visited conferences—speaking one hundred sixty-four times during the year, besides carrying on a vast correspondence.

The following is a summary of our financial report for the year:

The gifts received were:		
Cash	$ 776.55	
Pledges	125.00	
Bonds	550.00	$ 1,451.55
All receipts, including payments on pledges:		
Cash	$70,160.22	
Bonds	550.00	$70,710.22
Forward Movement Expense—Administration and Promotion		$ 6,507.07
Department of Stewardship, Promotion and Social Service, as directed by the Executive Board		1,241.19
Department of Evangelism and Life Service as directed by the Executive Board		4,055.13
Total pledges, Cash gifts and bonds received to date		802,755.41
Total receipts, Cash and bonds, to date		389,562.55
Total Forward Movement Expense, Administration and Promotion, to date		65,354.33

During almost the entire period of the years when the Forward Movement has been collecting its pledges, our country has been passing through a time of great economic depression. This has affected our people unusually. Thousands of our subscribers have shown a fine, Christian spirit and are loyal to the work, and promise to pay at their earliest opportunity, but ask an extension of time. Others are careless and indifferent. Some have thought they could take part or all of their subscription and apply it where they desired, regardless of their sacred obligation to the Movement. The ensuing year will find the last of the five payments falling due in most cases. Many are overdue. It will have to be made very plain to all subscribers that all subscriptions due should be planned for and paid. The sacredness of obligations to a definite Christian work should be clearly emphasized and felt.

STEWARDSHIP, PROMOTION AND SOCIAL SERVICE

The Convention at Burlington voted to enter upon an intensive and extensive promotional, educational, stewardship campaign. Dr. W. H. Denison was elected as secretary to give such time as he could in connection with

his duties as Superintendent of the Forward Movement. All methods and plans suggested by this Department are given with a view to deepen the spiritual life of our constituency. It is anxious for our workers to see that stewardship is not a periodic expression of religion, not a convenient device for promoting some good movement, nor for raising money for some definite purpose; but that it is a permanent element of the Christian life, essential and abiding as conversion itself, and a basic principle of all Christian activity. Stewardship should be a part of a church's program the same as missions, evangelism, education. Our people must ultimately come to see that stewardship is not primarily a matter of filling financial treasuries, but of spiritual life, the transformation and development of Christian character. November and December being the stewardship period of the denominational church year, all churches and pastors are asked to carry out definite stewardship programs. Over 40,000 stewardship pamphlets have been distributed during the year. Several persons of the Board of Christian Education who deal with children have been solicited to see that our literature contains the stewardship message. Sunday-school lessons that lend themselves to that note have had due emphasis. Effort is being made to promote the budget system, the every-member canvass, and the weekly offering both for benevolences and current expenses; and to help churches and conferences to better financial systems. A handbook on "The Every-Member Canvass" for committees and pastors is to be issued, as there is much call for it. Stewardship secretaries in the churches and conferences will have much of the work ultimately devolve upon them. The secretary has visited fourteen different conferences in this work, for sermons, addresses, and institutes, and has given instruction at three Pastors' Summer Conferences, addressed young people's conventions, trained canvassers, given messages at our colleges and at Christian Endeavor gatherings.

The denominational church year program and the work of every department of our church have been promoted, and a loyal spirit of co-operation for pastors and church officials, for conference and denominational officials and plans. There is a far better morale among our people, better church and conference organization, and better methods of church work. The fifteen percent increase for all benevolences in all lines of our work has been promoted as directed by the Burlington Convention, and also the group organization principle as being highly important and exceedingly beneficial in developing workers in the local church. The work is of necessity slow and it will require persistence, but its value will more than compensate. The entire expense of this department has been but $1,241.19.

REPORT OF THE SECRETARY OF THE GENERAL CONVENTION OF THE CHRISTIAN CHURCH TO THE EXECUTIVE BOARD OF SAID CONVENTION

In Session Dayton, Ohio, October 17, 1923

Immediately following the session of the Executive Board last year, steps were taken to carry out the instructions of The American Christian Convention regarding the reincorporation of the name of the general body of the church, changing it from The American Christian Convention to The General Convention of the Christian Church, which was consummated in time for the change to become legal on January 1, 1923, on which date the name changed from The American Christian Convention to The General Convention of the Christian Church.

The following business was transacted by correspondence:

1. Sunday, October 21, 1923, was made Aged Ministers' Home Day, and the churches were asked to contribute on that day the sum of $25,000.00 to said Home, in keeping with a resolution adopted by The American Christian Convention at Burlington, N. C., October, 1922. The call has been mailed.

2. The Secretary was authorized to have printed the proceedings of The American Christian Convention, held at Burlington, N. C., paid for and disposed of on the following plan:

1. That the Convention shall pay for the printing of the Secretary's report, and the commission reports.
2. That each department of the Convention shall pay for the printing of the departmental report.
3. That the Forward Movement shall pay for the printing of the report of the Movement.
4. That The Christian Publishing Association shall pay for the printing of the minutes, and all other proceedings of the Association appearing in the printed copy.
5. That whatever balance there may be after the above amounts are paid, shall be paid from the Publishing Fund of the Convention.
6. That a copy of the printed proceedings be furnished to all the officers, members of Boards, and standing committees of The General Convention of the Christian Church, and The Christian Publishing Association.
7. That a copy be furnished free of cost to the presidents and secretaries of conferences.
8. That the remaining copies of the book be offered to purchasers at fifty cents a volume, and that the proceeds of the sales be returned to the Department of Publications for similar use in the future.
9. That payments be made direct to The Christian Publishing Association by the Convention, the Forward Movement, and the various departments upon presentation of bills for same.

3. Rev. R. C. Helfenstein requested that he be released from membership on the Administrative Committee of the Federal Council of the Churches of

Christ in America, and that another be chosen to take his place. His request was granted, and Rev. W. H. Hainer, D. D., of Irvington, N. J., was chosen in his stead.

4. One hundred dollars was voted to the Federal Council for the Maintenance of Protestant Churches in Europe, one-half to be paid from the Convention Fund, and one-half from the Foreign Mission Fund.

5. The Executive Board approved a declaration concerning America's international obligation, prepared by the Commission on International Justice and Good Will, and approved by the Administrative Committee of the Federal Council of the Churches of Christ in America, and the same was published in The Herald of Gospel Liberty, and otherwise made known to our churches.

6. By the death of Rev. Alva H. Morrill, a vacancy occurred on the Commission on Temperance of the Federal Council of the Churches of Christ in America, from the Christian Church, which was filled by the election of Rev. P. S. Sailer, of Brooklyn, N. Y.

7. The Secretary was authorized to pay the necessary expense of the Board of Finance, from the Convention Funds.

8. The names of the following persons were submitted to Defiance College, as suitable persons to be elected trustees of said institution: Perry Yantis, Troy, Ohio; Fenner C. Brownell, Fall River, Mass.; W. G. Sargent, Providence, R. I.; W. P. Fletcher, Toronto, Ont.

9. An application from the pastor of the Church of the Evangel, Brooklyn, N. Y., concerning the leasing, or selling, of the church property, resulted in appointing a committee of investigation, consisting of Rev. P. S. Sailer, Mr. W. F. Corwith, and Mr. F. R. Beach. This committee reported its investigations to the Executive Committee, with the recommendation that a committee be appointed to have charge of the selling of the church property in Brooklyn, N. Y., which recommendation was adopted, and Rev. Omer S. Thomas, Dayton, Ohio; Mr. W. F. Corwith, Brooklyn, N. Y.; and Rev. W. H. Hainer, Irvington, N. J., were appointed said committee.

10. When the General China Famine Fund was closed, there was to the credit of the fund, in the Convention office, $230.40. This was voted to our missionaries in Japan, the distribution of it to be determined by the Secretary for the Department of Foreign Missions.

The following matter comes from the Huguenot-Walloon New Netherland Commission of the Federal Council of the Churches of Christ in America:

"Dear Brethren:

"The Huguenot-Walloon New Netherland Commission, instituted by the Federal Council of the Churches of Christ in America, for the celebration of the 300th anniversary of the settling in New Netherland of Walloons (French and Belgian Huguenots by the Dutch West India Company, in 1624, invites you to make provision for participation in the Tercentenary in accordance with the printed program sent you under another cover.

"You will note that all the churches are invited, (Page 12, par. 2), to recognize Sunday, April 24th, 1924, as 'Huguenot-Walloon Tercentenary Sunday,' with a special program.

"Will you please bring this before your governing body and secure appropriate action?

"The program of the Commission was approved by the annual meeting of the Executive Committee of the Federal Council last December.

"Sincerely yours,

"Chairman Executive Committee."

We were quite late in getting *The Christian Annual* ready for mailing, owing to the delays in conference reports, and their inaccuracy, and incompleteness, when received at the Convention office. Very many letters had to be written, and to some persons the third or fourth time, before a reply was secured. Such indifference not only delayed the Annual, but cost the editor fully one-half his stock of patience. This year we hope to not only have the publication ready for distribution the first of the year, but to have a much better book than the one published in 1923.

An unusually strong and illuminating appeal was mailed to our pastors and churches in the interest of the Federal Council of the Churches of Christ in America. The call was written by the President of the General Convention, and mailed to pastors and church clerks as first-class mail matter. To this call 100 churches responded with an aggregate offering of $407.79. Of course that amount helps to meet our pledge to the Council, of One Thousand Dollars a year, but it certainly indicates very little interest in the Council, as well as an indifference to the pledge of the Convention, and the obligation of our churches. It were better for us to withdraw from the Council, than to hold membership as we do. The whole church is included in the honor and the influence of the Council, while a part of it must meet the expense. It would be well to carefully consider this matter.

Franklin Church, in the Miami Ohio Conference, which you so generously allowed your Secretary to serve, as opportunity allowed, rewards you with a growing and well organized congregation, with a good house of worship, a splendid Sunday-school, and a settled pastor, who, if he lives up to his reputation for devotion and efficiency, will, within a short while, be the bishop of a worthy people. The church contributed to the General Convention $10.00 a Sunday, for the Sundays I served it. Including that amount, the church contributed last year to Kingdom building $1,676.28. The contribution this organization is now capable of making to the Kingdom of God will amply justify the favors it received at your hand.

During the year we have cared for nineteen accounts, and handled, including balances brought forward October 1, 1922, $58,279.28 in money, distributed as follows:

General Convention	$19,915.11
Foreign Missions	4,963.40
Home Missions	4,398.88
Christian Education	17,042.40
Relief	7,117.22
Federal Council	439.80
Aged Ministers' Home	158.89
Christian Orphanage, Carversville	79.14
Christian Orphanage, Elon College	50.28
Ministerial Relief	6.00
Defiance College	249.99
Franklinton College	68.99
Starkey Seminary	1.00
Sunday-school Department	19.21
Mission to Lepers	10.00
Missions	29.14
Americanization Work	37.71
Send Them Out Fund	21.50
American Bible Society	20.50
Balances	3,650.12
	$ 58,279.28

Nine thousand dollars came from the Forward Movement Fund, which was remitted in bulk to John G. Myers, Secretary of Finance. Of the Forward Movement Fund coming to the Convention for current expenses, we have received $2,250.00.

Included in the $19,915.11, credited to the Convention, are the following items, which must be deducted from the administration expenses for the year:

Forward Movement Funds	$9,000.00
Paid to Federal Council on the $1,000.00 annual pledge	500.00
Paid to Federal Council Army and Navy Fund	200.00
Paid for printing the Convention Proceedings	679.75
Paid to John G. Myers, in Government Bonds	500.00
Paid President Coffin on salary for Sept., 1922, charged to the year's account	143.88
Convention expenses at Burlington; legal advice and services connected with incorporation; miscellaneous travel, and other expenses not strictly administrative, e. g., the meeting of committee in the interest of Union Christian College, and duplicate sums	537.05
	$11,560.68

The actual administrative expense for the year has slightly exceeded eight thousand dollars, but the year has had unusual financial demands, which accounts for it, and then too you have had the service of the Convention President (though he only is paid for half his time); the service of your Secretary, and one stenographer, all of the time, and one stenographer part of the time. You are to be congratulated upon the splendid service of your President, given to you so economically as to cost you, including travel and office expense, only $1,958.83. The expense of the Burlington Convention, which included the printing of commission, and other, reports; the expense of the Boards meeting immediately following; the legal expense of the new incorporation; the expense of the committee meeting on the matter of Union Christian College, together with many incidental expenses which always result from the quadrennial session of the Convention, such as new record books, etc., has kept the fund at the zero period almost the entire year.

Your Secretary has tried to economize, with the thought always before him that the people gave their money to be used, and not to be saved.

Your Secretary is convinced that it would be wise and just to increase the pay of the Convention stenographer. She has worked faithfully and without complaint for less than the usual cost of such service, and it should be a pleasure to recognize and compensate the worthiness of those who serve.

There are two small balances, which have been carried over from year to year, which, in the judgment of your Secretary, could justly be transferred to other funds, and the accounts closed. There is to the credit of the "Educational Campaign" $6.11, which might be given to the Department of Christian Education; and $24.68, to the credit of "Ministerial Relief" that might go to the Aged Ministers' Home.

Included in the amount credited to the Convention several hundred dollars are duplicated. As, for instance, the cost of the call of the Christian Educational Department was paid for out of the Convention Funds, and returned to the same fund by that Department. And then some remittances due other funds were credited to the Convention Fund, and immediately paid out, so as to avoid carrying a column throughout the year.

The Convention auditors submitted report, the original of which is included in the records of this book. On motion the report was adopted.

The Secretary was instructed to transfer the balance of $6.11, now to the credit of the Educational Campaign, to the Department of Christian Education, and was also instructed to transfer the balance of $24.68, now to the credit of Ministerial Relief, to the Aged Ministers' Home Fund.

On motion of Rev. Roy C. Helfenstein, the salary of the Convention stenographer was increased from seventeen dollars a week, to twenty-five dollars a week.

On motion the Department of Christian Education was charged with the duty of collecting statistics from the Sunday-schools, Christian Endeavor Societies, and colleges, and to keep such information on hand and always open to the Convention Secretary, and other Convention officers.

It was moved and seconded to approve the Huguenot-Walloon New Netherland matter, as presented by the Federal Council of the Churches of Christ in America, and to advise our churches to co-operate as their wisdom might approve and their convenience afford. Motion carried.

On motion Rev. Martyn Summerbell and Rev. W. G. Sargent were invited to co-operate with the Commission on Christian Unity, and the Commission was instructed to carry forward an urgent and intensive propaganda in the interest of a larger co-operation with the Federal Council of the Churches of Christ in America.

Moved and seconded that the Convention Secretary be instructed to secure, as far as possible, the names of the churches not now holding service, and the names of individuals once in fellowship with us, but now living without the privilege of church fellowship. Motion carried.

The Board adjourned to meet this evening at seven o'clock.

Dayton, Ohio, October 17, 1923.

The Executive Board reassembled at seven o'clock p. m., and was called to order by the Convention President, who presided during the evening.

Minutes of the forenoon session were read and approved.

Rev. A. G. Caris, President of Defiance College, was given time to present some matters concerning the college campaign for an increased endowment, at the close of which the Board voted to approve the plan, and to give all the encouragement it could.

The committee appointed by the Board to meet a like committee from Union Christian College, in the interest of the transfer of the college, submitted its report, by its chairman, Rev. W. G. Sargent. The President of the Board declined to entertain the report, on the ground that it was contrary to the intention of The American Christian Convention as indicated by its action in session at Burlington, N. C. He indulged the members of the Board in a free and uninterrupted discussion of the situation. The report is recorded for the sake of information only:

Terre Haute, Ind., July 31, 1923.

Executive Committe of The General Convention of the Christian Church:

Your Committee, appointed to meet a like Committee of Union Christian College, met with said Committee in Terre Haute, Indiana, July 31, 1923.

The whole situation was carefully canvassed and several plans considered. It was discovered that the laws of the State of Indiana governing such institutions as Union Christian College definitely prevent the completion of the transfer of the college as understood by The American Christian Convention in session at Burlington, N. C. It was also discovered that the Trustees of Union Christian College are quite anxious for The General Convention of the Christian Church to have control of said Institution, and believing that The General Convention of the Christian Church equally desires the welfare of the Institution, your Committee jointly recommends:

That the control of Union Christian College be accepted by The General Convention of the Christian Church under the provisions of the law of the State of Indiana governing such institutions, and that it proceeds to carry out as fast as possible at this time all the provisions necessary to take control of said Institution.

And we further recommend the adoption of the Resolution as passed by the Trustees and Stockholders of Union Christian College as submitted to The American Christian Convention at Burlington, N. C.

The control of the College shall mean no more nor no less than the control that is now vested in the stockholders and board of trustees.

Rev. Alva M. Kerr and J. F. Burnett were appointed to attend the World Alliance for International Peace Through the Churches, meeting in Philadelphia, November 13-15, 1923, the expense to be borne by the Convention and The Christian Publishing Association.

The Board adjourned to meet at eight o'clock Thursday morning, and Rev. E. A. Watkins, D. D., of Urbana, Illinois, offered the closing prayer.

Dayton, Ohio, October 18, 1923.

The Executive Board of The General Convention of the Christian Church met at 8:15, Thursday morning, October 18, with President Coffin in the chair.

Prayer was offered by Rev. D. B. Atkinson, of Albany, Missouri.

TO THE GENERAL CONVENTION OF THE CHRISTIAN CHURCH:

We have this day audited the books of your Secretary of Finance and find all cash, notes, bonds, and securities properly accounted for as shown by the books and his report, excepting that the Bank Pass Book shows the balance in Bank September 30, to be $6,054.06 instead of $7,054.06. This seems to be an error on the part of the Bank in entering returned checks amounting to $6,110.40 for $7,110.40.

Your Secretary will have this corrected.

Rev. W. H. Denison, Superintendent of the Forward Movement, submitted the following report:

THE FORWARD MOVEMENT OF THE CHRISTIAN CHURCH

Report of the Superintendent, Rev. W. H. Denison, D. D.
For the Year October 1, 1922—September 30, 1923

We have given our best efforts throughout the year to carry out the directions of the Burlington Convention. We have sought to more fully incorporate the aims and purposes of the Movement in the life and activity of all the churches and conferences.

The Convention itself changed its own constitution so as to more permanently embody the entire program of the Movement. It planned for a Board of Evangelism and Life Service, and a Board of Christian Education to carry on the work of the Movement along those two lines. They were made a part of the constitution. The Convention also planned for a temporary arrangement for a Department of Stewardship, Promotion and Social Service; and for the work of the Department of Devotion to be carried on by the Board of Evangelism and Life Service.

CHURCH PROGRAMS

We have given much emphasis to the importance of having every church carry out the denominational program as adopted by the Executive Board and the Convention itself as follows:

Evangelism and Life Service	January and February
Foreign Missions	March and April
Home Missions	May and June
Christian Education	July—October
Stewardship and Devotion	November and December

We believe that it is vitally important for churches and pastors to have a church program; and to work at practically the same program as outlined by the denomination, is one of the greatest agencies of co-operation we can possibly have. We are glad to note that there is a finer spirit of co-operation developing steadily among our people. This program should still have continued and greater emphasis.

The Forward Movement is a temporary organization but its objectives are to become the permanent work of the denomination through incorporation in the churches and conferences. Many churches are adopting changes in their constitutions and placing therein the five departments of Devotion, Evangelism and Life Service, Christian Education, Missions, Stewardship and Finance. Some, for local reasons, are subdividing the work of some department and thus have more than the five departments but covering the same work.

In the same way a number of conferences have this year changed their constitutions, and others are giving notice for next year, so as to embody the five points of the Movement and the denominational program—Departments of Devotion, Evangelism and Life Service, Christian Education, Missions, Stewardship and Finance. Most of the conferences also include a Department of Publications. This department is not advisable in the local church as that work comes under the department of Christian Education, but we do regard it advisable and practical for the conferences to include it in their constitution.

We are trying to get the last church and conference to catch the spirit and content of the Movement as a denominational program; we are seeking to incorporate it into the working program and organization of the churches and conferences; we are endeavoring to stress the note of larger denominational co-operation on the part of pastors, churches, and conferences. We believe that in this way we are making a larger educational and spiritual contribution throughout our church to the work of the Kingdom.

To accomplish these aims we have visited conferences, churches, institute gatherings, conventions, young people's congresses, held group conferences,

speaking 164 times during the year, besides carrying on a vast correspondence to promote the work committed to our hands.

FINANCES

Gifts received—Cash	$776.55	
Pledges	125.00

Receipts—Cash	$70,160.22

Total receipts, cash and bonds, to date		389,562.55
Total Forward Movement Expense—Adm. and Pro., to date		65,354.33

During the entire period of the years when we have been collecting our pledges we have been passing through a time of great economic depression. This has effected our people unusually because many of our contributors are from the farming and rural sections which have been especially unfortunate. Thousands of our subscribers have shown a fine, Christian spirit and are loyal to the work and promise to pay at their earliest opportunity but must have extension of time. Others are careless, neglectful, and indifferent, and in some cases pastors have not helped and have put on a soft pedal when local interests have been considered. In other cases some have thought they could take part or all of their subscription and apply it where they desired regardless of their sacred obligation to the Movement. The ensuing year will find the last of the five payments falling due in most cases. Many are overdue. It will have to be made very plain to all subscribers that all subscriptions due should be planned for and paid. The sacredness of obligations to a definite work should be emphasized by all pastors, church officials, denominational literature, and officials.

Your superintendent believes that your board should give serious attention to plans so that the work may not suffer when subscriptions cease. Thousands have completed their payments, other thousands will do so this year, and hundreds through death, calamity, affliction, are not collectable.

Moved and seconded that the report be adopted, and that the Advisory Committee, together with the Superintendent of the Forward Movement, be instructed to prepare and report to the General Board of the Convention a plan by which the spirit and purpose of the Forward Movement may be continued.

Rev. W. H. Denison, Secretary for the Department of Stewardship, Promotion and Social Service, submitted the following report:

On vote of the Board the report was adopted.

DEPARTMENT OF STEWARDSHIP, PROMOTION AND SOCIAL SERVICE

Report of the Secretary, Rev. W. H. Denison, D. D.

The Convention voted to enter upon an intensive and extensive promotional, educational stewardship campaign in the conventions, conferences,

churches, homes of our people. Your board elected the undersigned as Secretary of that Department to give such time as he could in connection with his duties as Superintendent of the Forward Movement. It is a great and worthy task, a most necessary and important one, and an outstanding need of our church. To this we have set our heart and hand to give the best there is in us. It should have our full time and thought.

It is our purpose to teach the foundation principles of stewardship of life and possessions. Strong emphasis is laid upon its spiritual significance both to the churches and to the individual. We are endeavoring to show that the relation of a man's money to his spiritual life and growth is vital, that money is the acid test of a man's character. We are endeavoring to lay the foundations of this new department as carefully as thought, prayer, and consultation will give us wisdom. Being a member of the United Stewardship Council we are in closest touch with the greatest stewardship students and leaders of the country who are constantly studying stewardship principles and methods from a spiritual and practical viewpoint. All methods and plans suggested by this Department will be given with a view to deepen the spiritual life of our constituency.

A STEWARDSHIP PROGRAM IN THE CHURCHES

We are anxious for our workers to see that stewardship is not a periodic expression of religion, not a convenient device for promoting some good movement, or raising money for some definite purpose, but that it is a permanent element of the Christian life, essential and abiding as conversion itself; that it is a basic principle of all Christian activity. It should be a part of a church's program the same as missions, evangelism, education, Sunday-schools. Our people must ultimately come to see that stewardship is not primarily a matter of church support, filling the treasuries, but of spiritual life and the transformation and development of Christian character. We are showing how to introduce such a program in the churches. November and December being the stewardship period of the denominational church year we are expecting many churches and pastors to carry out definite stewardship programs. We are helping suggest outlines, study books, urging sermons, scripture instruction, careful distribution of literature, special speakers, the presentation of tithing, budget plan, the every-member canvass, the entire campaign issuing in enrollment of tithers.

We have distributed over 40,000 stewardship pamphlets as samples and have urged our workers to avail themselves of the special prices offered by the Layman Co. Many have done so.

Stewardship must be taught to our youth and we have solicited the cooperation of the several persons of the Board of Christian Education who deal with children, in seeing that our literature contains the stewardship message. Sunday-school lessons that lend themselves to that note have had due emphasis.

We feel that the budget system for the local church and the every-member canvass and the weekly offering, both for benevolences and current expenses, are exceedingly important. We shall do everything in our power to bring every church possible to that plan. No matter how long it takes we are committed to that task. We are desirous of helping the churches and conferences to better financial systems. We have used The Herald of Gospel Liberty every other week to set forth stewardship messages and plans. As soon as time

will permit we are planning to issue a handbook on the every-member canvass for committees and pastors. There is much call for it.

We are seeking to develop the stewardship secretaries in the churches and conferences, for upon them much of the work must ultimately devolve.

The response to the efforts of the new department is most gratifying. Our messages have been well received but we are not able to answer all the requests for addresses, institutes, and conferences. There is more work than a full time man can do but we have done our best. Much of the work has had to be foundational and unseen at present. We hope however, that it is not in vain. We have had fine co-operation on the part of pastors, churches, and conferences. The work has taken us into fourteen different conferences. We have preached sermons, given addresses, conducted institutes, given instruction at three Pastors' Summer Conferences, addressed young people's conventions, trained canvassers, given messages at our colleges and at Christian Endeavor gatherings. The work though hardly begun, is unfolding in a satisfactory way.

PROMOTION

We have promoted the denominational church year program. We have promoted every department of our work, co-operating with the secretary and board in charge.

We have promoted a loyal spirit of co-operation for pastors and church officials, for conference and denominational officials and plans.

We have promoted a better morale among our people, better church and conference organization, and better methods of church work.

We have promoted the 15% increase for all benevolence in all lines of our work. We believe this to be of unusual importance.

We have promoted the group organization in principle as being highly important and exceedingly beneficial in developing workers in the local church. The work is of necessity slow and it will require persistence, but its value will more than compensate.

We have sought to promote all the general plans and actions as directed by the Convention.

SOCIAL SERVICE

We have not been able to give this part of our work large emphasis. Time and strength, early and late, and without vacation have been taxed with the Forward Movement, Stewardship, Promotional, and organizational work of the church. We have heartily encouraged the work of our orphanages and of our Aged Ministers' Home and this has been the extent of our work in this much needed line.

Voted that the reports, as submitted by the Superintendent of the Forward Movement, and the Secretary for the Department of Stewardship, Promotion and Social Service, together with the auditor's report, be read by W. H. Denison as a part of the report of the Executive Committee to the General Board.

The Department of Christian Education was reported by the Secretary of the Department, W. A. Harper.

REPORT OF THE BOARD OF CHRISTIAN EDUCATION

We have had a most helpful and constructive session of our Board. Each field worker submitted illuminating reports of the work as it has unfolded itself and as it is projected for the future. Each of our standing committees, too, submitted written reports, exhibiting a splendid grasp of our problems and a confident determination to go forward with our twenty year program.

Dr. H. Shelton Smith in the ad interim period was elected field secretary of Administration and Leadership-Training. He entered upon his duties August 1 and has resigned to enter the service of the International Sunday School Council of Religious Education as Educational Superintendent. His resignation is effective November 10, 1923, and till then is assigned to the Defiance Campaign. He continues as a member of our Board and a Contributing Editor of The Journal of Christian Education. Mr. J. G. Myers has resigned as treasurer of this Board. We regret to lose the services of these brethren.

CURRICULUM

We have secured the concurrence of The Christian Publishing Association in the preparation of Group Graded Lessons for the Primary and Junior Grades. Our Curricula Committee has been authorized to outline the full six years' work for these departments, and after testing sample lessons in our Colleges and elsewhere to report the outlines to the full Board in session a year from now.

We have especially commended the Syndicate Series of Closely Graded Lessons to The Christian Publishing Association and urged that our schools be notified of this recommendation. We feel, however, at this time that the final choice must be left to the Manager of The Christian Publishing Association and the local school, it being agreed that any series desired will be secured for our people by the Manager.

SUMMER SCHOOLS AND CONFERENCES

We feel that our Summer Schools and Conferences should be vigorously promoted and we here asked the co-operation of the other Boards to this end.

Specifically we passed the following orders respecting these important forces in our program of Christian Education.

1. Summer Schools should afford opportunity for study and training to both men and women, ministers and laymen alike, and not be limited to ministers as at present.

2. The schools should, wherever possible, run at least ten days so as to make it possible to do more constructive work.

3. The program of the schools should include an even distribution of classes and free time; the mornings may be used for lectures and classroom

work, but the afternoons should be given over to the students to use at their own discretion.

4. The curricula should be graded; it is suggested that better results may be obtained by concentrating upon a few phases of church work each year, thus maintaining a balanced curriculum over a series of years.

5. Wherever the Board of Christian Education puts its money into a Summer School, that the *Curriculum* and *faculty* should be approved by the Board of Christian Education.

6. The dates of the seven schools be tentatively arranged as follows:

May	Palmer
June	Union Christian
	Kirton Hall
July	Defiance
	Craigville
August	Elon
	Bethlehem (or May)

7. That this board co-operate with Home Mission Board.

8. Hermon Eldredge, Omer S. Thomas, and Mrs. Athella Howsare have been constituted an executive program committee for Summer Schools and Conferences.

SCHOOLS AND COLLEGES

All our Schools and Colleges are in hopeful condition and contemplate advance steps for their future development.

A special resolution was passed endorsing the Defiance Campaign.

Bethlehem College, M. W. Hook, President, was formally admitted to membership among our educational institutions. Bethlehem opened its doors September 12. It has more than fifty students at this time. It is a Junior College with two years High School work.

The Board voted its unanimous sense that Union Christian College fills a distinct need in our educational work and that it be standardized as a Junior College under Convention control just as soon as possible.

NOMINATIONS

We submit the following elections of our Board to the General Board and respectfully urge their confirmation:

1. Member of Executive Committee of the International Sunday School Council of Religious Education—W. A. Harper.

That this Board be responsible for collecting statistics for Sunday-schools, Christian Endeavor Societies and Colleges, the Executive Board concurring, and that the same be made available at all times to the other departments of the Convention.

That our field secretaries spend not more than one week in a local church for set up work, the church to pay expenses of travel and entertainment.

That the services of Hermon Eldredge be lent the Christian Temple of Norfolk for one month, the church to pay expenses and entertainment, that this be done for purposes of demonstration and not as a precedent, and that he at the same time render such additional services as he can to the seven churches of greater Norfolk.

That scholarships within the rules formerly adopted be made available to those in professional training as Religious Education workers.

That Home Mission churches be expected to use our own Sunday-school literature.

That The Journal of Christian Education be placed by schools in their budget for officers and teachers.

That Dr. Robert L. Kelly be requested to investigate and publish the facts with regard to the correlation programs of the churches in the field of Christian Education and to give us proper recognition in his findings, this being a condition of our future contributions to the Council of Church Boards of Education.

That the Southern Christian Convention be asked to raise $4,000.00 annually for the Board of Christian Education and that pending the decision as to its method of raising this money, the Board asks as an emergency matter to have direct access to the churches of this Convention in issuing its calls and in sending out its educational literature.

That Hermon Eldredge and Miss Lucy M. Eldredge make their residence in Dayton as early as practicable.

That the place of residence of Rev. W. P. Fletcher be left with the Executive Board of this Board.

That Regional Secretaries be invited to attend the annual meeting of the Board at the Board's expense, and requested to make a written report to it.

That scholarships be granted to young people from conferences in which there are churches contributing to the Board of Christian Education.

That the funds of the Board for the Colleges be distributed thirty-three and one-third percent each to Defiance, Union Christian, and Palmer, and on this basis that $4,500.00 be immediately distributed to the Colleges.

That our treasurer secure for us four percent on the lowest current account balance of the year.

CHARTER

Our Board has been duly chartered under the laws of Ohio.

W. A. HARPER, *President.*

Rev. H. Shelton Smith was invited to address the Board, after which the motion to adopt the report was carried.

The following report of the Department of Publications was submitted by O. W. Whitelock, Secretary for the Department. The report was adopted.

The Department of Publicaitons has received during the year from Forward Movement funds, interest on loans, etc., $3,433.80. There has been disbursed for printing booklets and Convention proceedings, and expenses of the department $1,000.01. Receipts and balance, less this amount, leaves total funds now of $11,824.53. The assets are: Loans, $8,250; bank certificates, $2,000, cash, $574.52.

The Christian Publishing Association had a good year. Total net profits amounted to $3,465.25, of which $1,514.04 came from the Haight estate of New York, and $1,951.21 net profit from the business of the House. The job department has shown considerable increase in profits during the year.

The Board instructed the Manager to purchase, aside from necessary repairs now needed for the presses we have, one new linotype machine this year, and an addressograph. This machine will add a very much needed adjunct in conducting the business of the church, as it can and may be used by all the departments in getting out their circular matter.

Rev. C. E. Huff, of Oronoque, Kansas, a former member of the Board of Education, was elected trustee, to fill the vacancy caused by the death of Mr. J. B. Pease, late of New York. In addition to the splendid qualifications of

The Anthony Wayne Library
The Defiance College

Mr. Huff, for the office, the matter of his residence was taken into consideration, which more nearly equalizes the representation East and West.

The committee from The Christian Publishing Association and the Board of Christian Education, appointed last year to choose and recommend as to whether the Association should continue to publish the "Christian Hymnary" or adopt a new hymn book, made its report and recommended "The Hymns for the Living Age" which book will be placed on the market by the Association with our special title page.

The Association will publish a book of Bible stories by Mrs. Bullock; and if possible will secure definite proposal from Rev. Frank H. Gardner looking to the publishing in book form of the stories from his pen lately appearing in The Herald, and others which he may offer.

The circulation of The Herald of Gospel Liberty remains distressingly low, having only increased one hundred this year. With a view to materially increasing the circulation of this, our very ably edited church paper, as well as our other publications, Mr. Albert F. Chase, our assistant manager, has been designated circulation manager, and assigned to the special task of increasing the circulation of our publications. This was done with a view and in the hope that circulation may be very materially increased in the coming year, and that this increase may continue until we have at least ten thousand subscribers.

All felt in a very material way the absence of Dr. W. W. Staley, who has given long and faithful service on the Board of Trustees of The Christian Publishing Association, and who was absent this year on account of serious illness. Resolutions of regret were passed by the Board on his absence, and resolutions of sympathy on the death of Trustee J. B. Pease, who died last February, and who had given such valuable services on the Board for the last five years.

Your secretary of Publications makes his annual report as to the trust funds in his hands in the words and figures following to wit:

The General Board of the Christian Church was called to order at 9:30 Friday morning, October 19, 1923.

Prayer was offered by Rev. W. J. Hall.

Rev. F. G. Coffin, President of the Convention presided.

Mr. Hermon Eldredge made an announcement, and distributed a little folder in memory of Rev. J. G. Bishop, D. D.

The report of the Commission on Christian Unity was submitted, the report being read by Rev. F. G. Coffin, Chairman of the Commission. Motion to adopt carried.

TENTATIVE REPORT OF THE COMMISSION ON CHRISTIAN UNITY

Your Commission on Christian Unity after careful consideration hereby expresses its conviction.

1. That the spirit of denominationalism as it has dominated the past, has delayed the establishment of Christ's Kingdom on earth.

2. That no great aggressive movement of the Church can take place in the future until its forces are more closely united.

3. That the rank and file of the churches are in heart ready for a closer unity, if the emphasis of thought can be taken from the few divisive features and centered on the great unities of faith and work.

4. That the Christian Church has no greater mission to this age than to make itself a unifying factor among the churches.

5. That the Christian Church should therefore state very clearly the concensus of opinion of its membership as to the kind of Christian Unity for which it stands and the conditions under which such unity will be acceptable. The Church should outline a plan of approach and procedure with other denominations relative to it, also a program of education in all of its conferences and churches with this end in view.

6. That in our judgment this voices the conviction of the majority of our constituency, both lay and clerical.

In order to have something definite upon which to work, the Commission on Christian Unity hereby submits the following for the reaction of the General Board:

Resolved, That The General Board of the Christian Church hereby instructs the Commission on Christian Unity to again make overtures to other churches with greater insistence and emphasis than ever before, outlining the position and plan of the Church as follows:

That Christian Unity in its ultimate means more than co-operation or federation of denominational bodies. To us it is complete organic unity of all the followers of Jesus Christ into one ecclesiastical body. It is for this ideal and purpose that we stand. Knowing that after the years of denominationalism, this may not be immediately realized as a step in the process toward this ultimate end, we favor co-operative working relationships with other bodies, federation among churches and relations of comity and mutual helpfulness with the people of God everywhere.

We believe that the designation of this organic union of denominations should out of loyaly to Christ bear the name of Christian, but are willing to seriously consider with other bodies appropriate additions to this designation which will preserve their historic identity.

We concede the right of each individual to adopt for himself as his creedal statement such consistent interpretations of the Word of God as his wisdom and conscience may approve, but we deny the right of any person to force his interpretations upon another as a test of his Christianity or a condition of Christian fellowship.

We recognize that many of the items upon which Christians differ are at best but methods of character building and Christian service. Therefore we urge emphasis upon Christlikeness and liberty as its method as the foundation of Christian fraternity.

The Commission is further instructed to invite and arrange conferences with bodies of similar inclinations and arrange for the exchange of fraternal delegates with conferences of sister denominations wherever possible.

The Commission is also instructed to prepare literature which will urge upon our local church the spirit of Christian fellowship and offer suggestions of methods of co-operation and that this booklet shall be paid for out of the funds for such purposes administered by the Board of Publications, the same to be for general and free circulation among our own people and representatives of other churches who may desire to use it.

Finally, we urge our people everywhere to follow the method of Jesus in praying for the oneness of the people of God and to put out of their own hearts any spirit of prejudice, narrowness, or limited fellowship.

The Aged Ministers' Home was presented by Rev. Martyn Summerbell, of Lakemont, N. Y. No action was taken by the Board.

The report of the General Mission Board of the Christian Church was presented by the Secretary, Mrs. Athella M. Howsare. Report approved.

The Mission Board met in the office of the Foreign Mission Secretary Tuesday, October 9, with all members present. Dr. J. O. Atkinson, Secretary of the Southern Christian Convention conducted the opening devotional service.

Correspondence actions of the Board were read and made a part of the regular minutes.

Reports of the Home and Foreign Secretaries, and of the Publisher and Editor of *The Christian Missionary* were read and referred to the proper department.

Reports of Treasurer and auditors were read and adopted.

The following three committees were named, Literature and Publicity, Dr. L. E. Smith, Mrs. Alice V. Morrill, Dr. H. M. Hainer; Nominations, Dr. G. O. Lankford, Mr. J. O. Winters, Rev. C. G. Nelson; Resolutions, Dr. W. P. Fletcher, Mr. M. S. Campbell, Mrs. McD. Howsare.

Voted to send a message of greeting to Rev Emily K. Bishop.

Voted that we express our sympathy to Mrs. C. S. Sears in the loss of her husband, and our appreciation of the splendid help given by these two throughout the years, to the work of the Christian Church.

The following reports of Committees were adopted:

Report of the Committee on Literature and Publicity

1. We appreciate the fine work which our editor has done in producing a magazine of such a high character as *The Christian Missionary,* and also giving it to the denomination so economically. The increase in the subscription list we consider both a tribute to the value of the magazine and also a result of the constant and effective work of Dr. Minton in seeking new subscriptions.

Resolved, that we request all points receiving financial aid from the Mission Board of the Christian Church to make full use of the publications of the Denomination. Be it further resolved that all above points be requested to use our Denominational Sunday-school literature.

2. Moved and carried that we accede to the request of the Editor of *The Christian Missionary* for a department of Missionary Methods, and that we nominate Mrs. M. T. Morrill as editor of this department and Dr. J. O. Atkinson to furnish suggestions and material for the use of Sunday-school Missionary superintendents.

3. That the secretaries to the Home and Foreign Mission Secretaries share in the correspondence work on *The Christian Missionary,* and that the Secretaries be authorized to secure additional stenographic help when necessary.

4. We most heartily commend the publication of the new leaflet literature especially the biographical sketches of our missionaries and those supplementary to the study of Japan, and earnestly urge our churches, Sunday-schools, and missionary societies to give them the largest possible circulation.

We recommend that the names and prices of the Home and Foreign Mission Study books for this year be kept standing in *The Christian Missionary* for several issues.

The Committee on Resolutions

1. That we rejoice in the increased Missionary zeal of our people North, South, East, and West, and in order that there be a continually accelerating interest, we recommend that missionary propaganda be aggressively continued with our adults, but we urge that Missionary Education ever be considered as essential to religious education, to the end that our girls and boys, as they grow to womanhood and manhood, may be missionary from conviction.

2. That members Denison, Thomas, Minton, Morrill, and Howsare be continued as Committee on Missionary Education.

3. That we sympathize with Japan in the terrible disaster from earthquake, fire, and flood, that has so recently come upon that nation and that our Foreign Mission Secretary be asked to express this sympathy not only to our own Mission and Conference there, but to Japan as a nation.

4. We appreciate what has been given by our people in the personal relief of our Christian brothers and sisters in Japan, but we call on our people everywhere to help now in even a larger way in reconstruction, in order that the Lord's work in that great empire may go on to still larger victories.

5. In as much as our manual has not been revised for some years, and since in the meantime pronounced changes have been made both in constitution and procedure we recommend that a committee be appointed, consisting of the President and Home Mission Secretary, and Foreign Mission Secretary, to revise the same, and that an advance copy of the proposed revised manual be sent to each member of the Board at least six weeks before the annual Board Meeting in 1924.

6. We rejoice that even though, during the year there has been sickness in the homes of some of our workers in the Home and Foreign Fields, at the present time all are apparently in good health and eager for work, and that during the year some splendid new workers have entered the various fields of Mission activity, so splendidly equipped for the task, and that perhaps never before in the Foreign work, in Americanization, Indian, City, and Rural Sections, were we so able to "carry on" the work which Jesus began.

Advisory Committee

The Advisory Committee, as instructed by the Executive Board, submitted the following report, which was adopted:

In view of the tremendous and pressing needs and the compelling opportunities now open to us, it is the judgment of this Committee that as many of the pledges of the Forward Movement as possible should be renewed in order to meet the need of our expanding work.

We believe that this Committee should be empowered to secure the continuance of the pledges by correspondence and personal conversation through all our denominational representatives, but without a general campaign; the details of this undertaking to be worked out by this Committee in consultation with the Superintendent of the Forward Movement and approved by the Executive Committee.

The Committee on Near East Relief submitted the following report:

Committee on Near East Relief

Resolved, that the churches of the Christian denomination take the Near East offerings at Christmas time according to the action of the Burlington Convention.

That churches taking the offerings shall not be called upon by the Near East in community drives, nor shall they be considered negligent in refusing to enter into community campaigns for Near East Relief, if they have taken the offering during the year.

That department heads insist that the Near East offices furnish their programs for community campaigns within the States where the Christian Churches are located and instruct their workers to co-operate with the Christian Church plans in sending all money raised in individual churches through denominational channels.

Rev. Roy C. Helfenstein was charged with the duty of gathering up the

outstanding item of each Board, and reporting the same to the Dayton Evening Herald. .

Moved and seconded to appoint a committee of five on Objective and Appeal. Motion carried, and the following named persons were appointed: Rev. A. M. Kerr, Rev. W. H. Denison, Rev. O. S. Thomas, Mrs. F. E. Bullock, and J. F. Burnett.

Rev. W. P. Fletcher moved that we express our appreciation of the privilege of having our meeting in the First Christian Church, and our heartiest thanks to the ladies of the church for their providing so bountifully and pleasantly the midday and evening meal. Motion adopted.

The Board then adjourned, with the closing prayer by Rev. J. O. Atkinson, D. D.

MINUTES OF THE ADVISORY COMMITTEE

Adopted by the Executive Board of the General Convention

The Forward Movement Advisory Committee and the Superintendent, met in the C. P. A. Chapel at 9:30 a. m., November 16, 1923, to work out the details necessary to carry out the action of The General Board of the Christian Church at its October meeting as follows:

"In view of the tremendous and pressing needs and the compelling opportunities now open to us, it is the judgment of this committee (Advisory Committee) that as many of the pledges of the Forward Movement as possible should be renewed in order to meet the need of our expanding work."

"We believe that this committee should be empowered to secure the continuance of the pledges by correspondence and personal conversation through all our denominational representatives, but without a general campaign; the details of this undertaking to be worked out by this Committee in consultation wih the Superintendent of the Forward Movement and approved by the Executive Committee."

There were present members Coffin, Minton, Winters, Thomas, and Superintendent Denison. Dr. Minton offered prayer.

It was decided to prepare a Bulletin to be sent to all subscribers setting forth the work already begun, and that already done by the Boards and the several Departments of the church with the funds received from the Forward Movement, giving a condensed statement of how in each case the funds have been set at work for the Kingdom and show what their gifts are now doing.

Letters are to be sent by the Superintendent to the members of The General Board of the Christian Church, our active pastors, and to Conference Officials inviting suggestions and enlisting sympathetic co-operation in carrying on the work so well begun that there may be no retrenchment.

Articles are to be offered The Herald of Gospel Liberty setting forth the needs of the continuation work, its vital relationship to our work as a part of the Kingdom work, and its denominational influence.

That a joint letter of appreciation to each subscriber, prepared by Dr. A. M. Kerr, be sent out in the name of the several departments of the church; that this be followed by a letter of the same import from the President of the General Convention; and a third one be sent by the Superintendent of the Forward Movement.

Following which all subscribers having completed their payments, and others as they complete theirs, be invited by correspondence and by personal conversation through all our denominational representatives to renew their subscriptions; said subscriptions to be made to The General Convention of the Christian Church to sustain the work already begun by the Forward Movement and to carry it on without retrenchment; said subscriptions to continue until canceled by the donor, the distribution to be the same as heretofore: twenty-five percent for Home Missions, twenty-five percent for Foreign

Missions, thirty percent for Christian Education, fifteen percent for the General Convention, five percent for Publishing.

The Stewardship and Promotional Secretary asked the Forward Movement agencies to co-operate in every way possible the following items:

a. Stressing the fifteen percent annual benevolence increase as directed by the General Convention;
b. A thorough campaign for the Every-member canvass;
c. The enlistment of Tithers.

The session of 1923 was held at Versailles, Ohio, November 6, 7, 8.

Following a very interesting session of the representatives of the Women's Missionary Societies of the Convention area, in the forenoon of the sixth of November, 1923, the formal opening of the Convention occurred at about 2:30 p. m. with Dr. E. A. Watkins, President of the Convention in the chair. All addresses were of a very high order in both information and inspiration. To quote from one and not another would, probably, do violence to both the speakers and to the subject matter.

Banquets in the interest of certain groups of workers, etc., were held at different times. These were all conducive to developing the spirit of friend-

ship and, also, promotive of the purposes underlying the rise of such respective movements as were represented. These were in the interest of the special train to Burlington, N. C., Defiance Christian College, and Union Christian College. At each of these gatherings a large and representative company assembled. Great enthusiasm and a splendid spirit prevailed in every case and the cause of each group was materially advanced to the good, also, of the entire Convention and the Christian Church.

The following preamble and resolutions were adopted and in order that many who did not attend the Convention might share in its helpfulness and responsibilities they were sent to ministers and churches of the Convention.

So many challenging things have borne in upon our hearts and consciences that we have found it hard to know where to begin and where to stop. The strong emphasis of speakers and the sentiment of delegates is that we must go in and possess the land. The Central Convention should take the leadership in recognizing authority and submitting to the welfare of the whole church. This Convention could do nothing better than to rise enmasse with a spirit and action of such united whole-hearted Christian vision that we would forget our personal privileges in the local church, and become more deeply interested in the meaning of our denomination as related to the Kingdom of God.

What say you members of the Central Convention? Shall the Central Convention move or shall the inspiration of this fellowship and the tugging of the Holy Spirit at our hearts be in vain?

Therefore, as a public expression of our deep appreciation of the unusually strong and inspiring addresses which have been brought to us out of the hearts and minds of the speakers at this Convention, be it resolved:

1. That we seek to be real conscientious doers of the word and not hearers only; and we earnestly request that these addresses be presented to the editor of The Herald of Gospel Liberty for publication.

2. That with faith in Jesus Christ and the mission of the Christian Church, we accept the challenge to double our active membership in the next ten years.

3. That we pledge to the officers of The General Convention of the Christian Church, including department Secretaries, our most hearty support and co-operation in plans, methods, and objectives.

4. That this Convention recognize and endorse the Christian principles of the Permanent Court of International Justice.

5. That the Central Convention representing a constituency in Pennsylvania, Ohio, Indiana, Illinois, Michigan, Wisconsin, and Kentucky, of 50,000 stalwart Christian men and women sends congratulations to Calvin Coolidge, President of the United States, upon his personal and official standing for law and order and his loyalty to American ideals and moral citizenship.

6. That the time for the biennial sessions of this Convention be set on dates which will not conflict with the civil elections in any of the States included within the Convention territory.

7. That as the Japan earthquake has caused serious damage necessitating the complete rebuilding of our largest Tokyo church and extensive repairs to two of our other churches; and as the mission home must be repaired and the work on the new building program greatly increased in cost; and as it has opened up other great opportunities for Christian service resulting already in the establishing of four day nurseries for refugee children with the possibility of making at least one of these permanent in a large industrial section; and as the Sendai Christian Orphanage has had to be enlarged, our church is compelled to either enter a much larger field of usefulness or allow other denominations to take up work which we should do.

Therefore; Resolved: That the Central Christian Convention heartily endorses and pledges full support of the Foreign Mission Department in its plan to raise immediately a $50,000 Japan Relief and Reconstruction Fund,

which sum is a vital necessity if we are to retain our place in Christian service in that land.

The various conferences of the convention territory are asked to contribute annually for convention expenses a sum equal to two and one half cents per member.

NOTEWORTHY ADVANCES

The American Christian Convention met for one session in our chapel during its October, 1922, meeting in Burlington, N. C.

The engrossing news item of the year 1922-23, however, was the destruction by fire of the Administration Building in which The American Christian Convention met and the greater Elon rebuilding program which grew out of it. The story of this event is told elsewhere in this Annual.

One item of the rebuilding program needs to be called to attention especially at this time and that is The Christian Education Building. This building is to be the social and religious center of the college life. It is unique in colleges. It will undertake to correlate and unify the organized religious life of the campus. It is the gift of Mr. M. Orban, Jr., of Whittier, California.

Bethlehem College is a Junior College offering the last two years of high school work and the first two years of college work.

PURPOSE

The purpose of the College is born of the desire on the part of many earnest Christian men and women of those sections of Alabama and Georgia touched by the Christian Church to see developed in their midst a higher and stronger type of ministerial and lay leadership in the Church, and, in general, a higher type of Christian citizenship. And while the College is fostered by the Christian Church, it is in no sense sectarian in its aims and purposes and will not in any case impose any sectarian teachings upon the minds of its students. The one aim and object of the College shall be the development of Christian character and the fitting for service of those who shall become students here.

Each Christian Conference of the State of Indiana is requested to pay to the Indiana State Conference five dollars annually for general expenses of the conference.

The annual session held in the Christian Temple, Winona Lake, May 15, 16, and 17, 1923.

The conference sent a fraternal delegate—Rev. W. S. Alexander, D. D., to the State Conference of the Disciples of Christ meeting in Frankfort, Ind., who reports a splendid reception thus strengthening their friendly relations and stepping a little nearer the Christian's ideal of Christian Unity.

The State conference made a gift of five hundred dollars ($500.00) to the Montpelier Church of the Eastern Indiana Conference. This church sustained a heavy loss by fire in the early part of the summer.

The State conference will hold its annual session in June, 1924. This session will be one of three days' duration, one of which days is to be a Sunday. All churches of the State are requested to ask their pastors to attend, giving them regular pay for that Sunday.

Since the merger of the Kansas Christian College with Palmer College, the Kansas State Christian Conference is kept up for the purpose of looking after the interest of the Kansas Christian College. It builds no program, nor plans any aggressive work, as that is done by the Western Christian Convention of which the State Conference is a part.

Owing to delayed matter reaching The Christian Annual, it is necessary to put a few things out of the regular order. The ordination of Rev. Mr. Wiggins, the record of Rev. Fred Stovenour, and a few other items may be found on the page indicated by the index.

The same is true of the report of a few conferences of the Woman's Mission Board. Readers are requested to refer to the index for the page on which these reports can be found.

UNCLE SAM

"Uncle Sam," the popular title for the United States. In the year 1812, a large quantity of provisions for the army was purchased at Troy, N. Y., by Elbert Anderson, a government contractor. The goods were inspected by two brothers, Ebenezer and Samuel Wilson. The last named was invariably known among the workmen as "Uncle Sam." The packages were marked E.A.-U.S. On being asked the meaning of these initials, a workman jokingly replied that he did not know unless they meant Elbert Anderson and Uncle Sam. So the title become current among workman, soldiers, and people, and the United States Government is known now by those who affectionately call it Uncle Sam.

(See opposite page)

First Christian Church, Richmond, Va.

The movement for the establishment of a Christian Church in Richmond was inaugurated by the Mission Board of the Southern Christian Convention, which has given its support and co-operation in each stage of its advancement.

The first organization was in the form of a committee and was effected at the Jefferson Hotel, December 5, 1919. At this meeting which was attended by a few members and friends of the Christian Church and presided over by Dr. J. O. Atkinson, Prof. P. J. Kernodle was elected chairman and Miss Mildred Atkinson, Secretary.

Following this, the William Fox School auditorium was secured for the services and January 1, 1920, a Sunday-school of seventeen members was organized with D. J. Kelley as superintendent. The Mission Board elected Rev. W. T. Walters as minister to take charge of the organization and he assumed his duties March 1, 1920. A meeting was held at the home of Prof. P. J. Kernodle, March 3, at which the following trustees were elected: Prof. P. J. Kernodle, J. W. Price, P. J. Carlton, D. J. Kelley, and F. S. Gardner. This election was confirmed by a court appointment March 4. The church was formally organized April 4, 1920, with forty members. In a few months the present site was purchased. L. P. Hartsook was employed as architect and the contract for the building was awarded to the John T. Wilson Company. Ground was broken for the new edifice September 25, 1922, and the corner stone of the First Christian Church of Richmond, Virginia, was laid October 18, 1922.

The building is of gray brick with granolithic base and gray terra cotta cornice and trimmings. It is of classic design with gray terra cotta Corinthian columns. The auditorium seats approximately four hundred with Sunday-school rooms in the basement, also a kitchen and other modern equipment. The lot is large enough for the future development of the plant as the needs may require. The value of the present property is $100,000. The formal opening service was held September 30, 1923. Dr. Roy C. Helfenstein preached in the morning, Dr. L. E. Smith in the afternoon, and Dr. J. O. Atkinson in the evening. Governor E. Lee Trinkle and Lieutenant Governor J. E. West both took part on the program and also a representative from each of the protestant evangelical denominations spoke at the afternoon service. One hundred and eighteen members have been received into fellowship; seven of whom have passed to their reward and nine have been transferred, leaving the present membership at 102.

The Building Committee consisted of P. J. Carlton, Chairman; A. E. Pierce (deceased), B. W. Rawles, John T. Kernodle, W. R. Harton, J. W. English, and F. J. Eley.

They Have Been Sent

Last year the young people of our church, through their missionary societies, Sunday-schools, and Christian Endeavor societies were asked to contribute to the Send-Them-Out Fund for the purpose of sending five new workers to the Foreign Field during the year. They met the challenge as they always do, with enthusiasm backed up by real service and we rejoice to report five new workers on the field and already entered into their work.

How Elon Arose From the Tomb

BY W. A. HARPER

Those of us who stood around the smoking embers of the sacred old Administration Building of Elon College on the morning of January 18, 1923, had reason to feel that we were encircling the tomb of our beloved college. We were really present at its resurrection. The old building in which The American Christian Convention met in October, 1922, was no more, but the spirit of Elon was alive, and undismayed by a stroke calculated to be her total eclipse, has incarnated itself in five splendid buildings instead of one.

The story of how this was achieved is electrifying in its inspiration. To begin with not a student left the college and on the next day regular class

THE ELON THAT WAS
Elon College, Administration Building, Destroyed by Fire, January 18, 1923

work was resumed by using laboratories, gymnasia, lodge and store rooms of the town, and private residences. On this day, too, a mass meeting of Alamance County citizens assembled in the city of Burlington to express sympathy.

Well, they expressed it in such substantial fashion that a building program fifty years in advance of Elon's normal development was projected and as it now appears bids fair to be completed. At that memorable January 19 meeting in Burlington's City Hall with rain and sleet outside, but with a determined group of earnest friends within, Alamance County proposed to reerect the

THE ELON THAT NOW IS

Elon College Rebuilt and Enlarged, 1923

destroyed Administration Building if the college's friends elsewhere would contribute $200,000 for other sorely needed buildings.

On January 24, the Board of Trustees met, accepted Alamance's offer, and added $50,000 additional for furnishing and equipping the greater Elon building program, which includes five three-story modern fire proof structures arranged in the form of an H, with the Alamance Building forming the bridge of the H. This building is 200 feet long, 68 feet wide, and three stories high. Each of the other buildings in the quadrangle arrangement abutting on the four corners of the Alamance Building and connected with it by covered brick colonnades is 120 feet long, 64 feet wide, and three stories high. Alamance Building has a double front, the south toward the Southern Railway and the north toward the State Highway, so that looked at from the south you see three buildings and likewise from the north three. This is a very attractive arrangement and reflects high credit on the artistic taste of the architect, Mr. Hunter. The Colonial type of architecture has been adopted for the buildings, which will have four large Indiana limestone columns for each front. Later on two additional dormitories will be erected. The steam plant is being remodeled and laid out to accommodate this increased area.

The Alamance Building is to be used for administration and recitation purposes, with a large and commodious society hall on the third floor. The other buildings in the quadrangle are the Auditorium, the Christian Education Building, the Library, and the Science Laboratory.

The Auditorium is the gift of J. M. Darden, Suffolk, Va., in memory of his father-in-law, the late Leonard Hume Whitley. Mr. P. J. Carlton, Richmond, Va., is the donor of the Library Building. Mr. M. Orban, Jr., Whittier, California, has given the college the Christian Education Building. A host of friends have made possible the Science Laboratory Building and necessary funds for equipment.

So has Elon arisen from what appeared to be her tomb to a larger and more hopeful day of service to Church and State. The willing sacrifice of devoted friends has made these things possible. The college is committed to a program of Christian ministry in the realm of higher education as the only way in which she can fittingly express her enduring gratitude for the liberal response of her friends in the trying experience through which she has been called to pass.

Christian Church, Santa Isabel, Porto Rico

A GIFT OF LOVE

This beautiful church was dedicated Friday, September 7, 1923. Many friends, both American and Porto Rican, were present from other Missions, and every church in the Christian Conference of the Island, was represented in the audience, which filled the large auditorium. Rev. G. L. Todd, of Humaco, Superintendent of the Congregational Mission, delivered the sermon; prayer was offered by Rev. A. C. Gomez, a Porto Rican minister at Guyama, of the Methodist Mission, and our own Rev. D. P. Barrett had charge of the dedicatory services, and he is the oldest missionary in service on the Island. He said that this beautiful church was a gift of love from the Young People's Societies of the United States. When the corner stone was laid he had placed in it the names of over a thousand persons who had contributed to the fund for the erection of this church. The handsome pulpit furniture, made of cedar, and hand carved, also an expression of love, is the gift of friends in Porto Rico. The silvery toned bell, that calls the people to worship, came from J. F. Burnett, a gift to him from the Jamestown, Ohio, Christian Church, who immediately shipped it to Santa Isabel. The Mission at Santa Isabel is in charge of Miss Olive Williams.

H. SHELTON SMITH, PH. D.

Superintendent of Education of the International Sunday School Council of Religious Education. Mr. Smith is a member of the North Carolina Christian Conference and had engaged to be Secretary of Administration and Leadership-Training for the Department of Christian Education of The General Convention of the Christian Church, but for reasons that seemed good he was released from his obligation to the Department of Christian Education and loaned to the larger field of Christian activity.

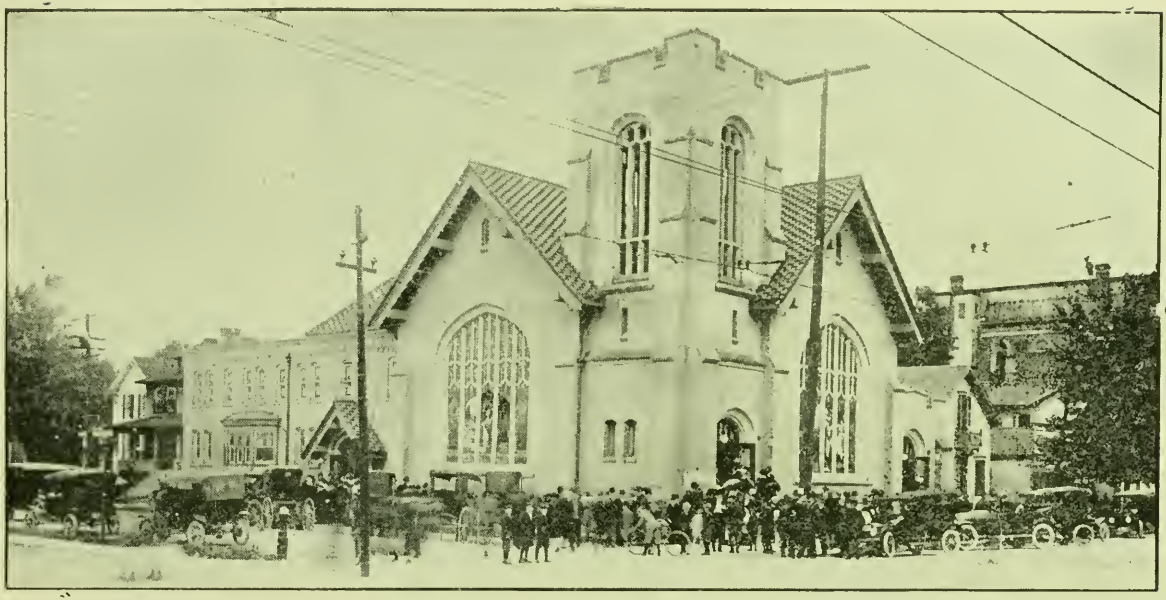
Rev. Mr. Fletcher is the Adult Division Field Secretary for the Department of Christian Education. He began his work in the States, December 1, 1923. He is a native of Canada, the Province of Ontario, and had been engaged in the work of the International Sunday-school in the Province. He comes highly recommended by the Association, and with much experience, unwavering faith, and unquenchable enthusiasm, which gives the Department he serves full assurance of success.

W. PERCY FLETCHER

PRESSLEY E. ZARTMANN

In 1909 he was given licentiate membership in the Miami Ohio Christian Conference, and on December 3, 1911, was ordained to the work of the gospel ministry in said conference by Rev. Hugh V. Smith, Rev. J. J. Summerbell, and Rev. H. J. Rhodes. He served this organization as secretary from 1913 until the session of 1922. He was one of the founders of the Walnut Hills Christian Church, and its pastor from February 7, 1909, until twelve good years of his life had been given to the community and church.

He was connected with The Christian Publishing Association for about twenty years, eleven years of which the writer was intimately associated with him, and bears public testimony to his efficiency, his faithfulness, his big-heartedness, and kindly interest in the service he was rendering.



First Christian Church, Troy, Ohio, and Its Pastor, Rev. A. E. Kemp, D. D.

The Troy Christian Church, in the Miami Ohio Christian Conference, of which Rev. A. E. Kemp, D. D., is pastor, was reopened on Sunday, November 11, after it had been thoroughly redecorated in the most artistic way. New lights had been installed, and the whole interior made as new. The entire cost was about five thousand dollars, twenty-two hundred of which went for carpet. There were Nine Hundred and Ninety-nine, by actual count, in the Sunday-school. The editor of this publication gave three addresses, and Rev. E. B. Flory two, one of which was given to the young people at six p. m.

ALBERT FINLEY CHASE

Mr. Chase is the newly elected Circulation Manager of The Christian Publishing Association. He is eminently qualified for the position by ability, natural and acquired, and also by experience. He has been connected with The Christian Publishing Association for seventeen years, five of which he was Mailing Clerk, and twelve Bookkeeper. In addition to the bookkeeping he has been Assistant Manager for the past few years. Prior to his association with The Christian Publishing Association, he was connected with the Department of Missions, under the late J. G. Bishop. He is a Christian, native born. He was reared in a Christian home, and very early in life became a member of the Christian Church. Two of his brothers entered the Christian ministry. His Grandfather Chase was a preacher, and two of his mother's brothers were preachers. His loyalty to the Christian Church, and his devotion to any task assigned him, are guarantees of success in the new field he has so recently entered.

Sunday-school at Near Fancy Gap, Virginia
Organized in 1921 by Miss Laura Clemmer

The work among the mountain people of Virginia was inaugurated by the Mission Board of the Southern Christian Convention in September, 1919, but actual work was not begun until 1920. The Board voted to send Miss Hedgepeth to the most needy and destitute mountain section of Virginia or North Carolina as soon as the facts could be established and she was ready to go as our representative. In September, 1920, after thorough investigation had been made Miss Hedgepeth was sent by the Board to Carroll County, Virginia. After a survey was made by her and by representatives of the Board she was located at Fancy Gap, Va., and the first year taught and held a Sabbath school in the dilapidated old store building at Elk Spur some five or six miles from Hillsville, Va., the County Seat of Carroll. In 1921 a combined church and school building at a cost of $4,150 was erected on a plat of ground containing eighteen acres previously purchased by the Board. In the summer of 1922 one preacher and three school-teachers were sent to do educational and evangelistic work. The result was the planting of two schools, week-day and Sunday-school, and the organization of three Churches. During the fall of 1922 and spring of 1923 regular preaching services were maintained with a minister on the field giving full time to the work and two week-day schools with three teachers in charge. Since their organization two of the congregations, known as the Sandy Ridge and Rocky Ford churches, have consolidated and donated a piece of ground for a building on the highway between Mt. Airy, N. C., and Hillsville, Va. The present plan is to build here a combined church and schoolhouse. A week-day school and a Sunday-school are maintained regularly in a dilapidated building near by. The present pastor in charge of all the preaching places now occupied is Rev. M. T. Sorrell, Fancy Gap, Va., and two schools have been opened for the fall and winter term, one with two teachers at Fancy Gap, and one with one teacher at Rocky Ford. A four-room house for the preacher and two teachers has been erected at Elk Spur.

These mountain people are the direct descendants of the early colonists. They have not, however, maintained the standards of their ancestry. John Burns of the Mountains says that he has gone into scores of their homes wnere they have lying somewhere on shelves, the old English classics, and that they are underscored showing that they have been carefully read at sometime. The Board of Home Missions of The General Convention of the Christian Church has long desired to join the Mission Board of the Southern Christian Convention in this splendid work, and plans have been made so that the two Boards will co-operate. The Mission Board of the Southern Christian Convention will be in charge.

The building is so arranged as to be used for pastor's home, and also for the regular services of the church. A kindergarten and night school have been started here. Narugo is in the northern or Sendai field.

During the year, the Foreign Mission Department also secured a permanent location at Moka in the Utsunomiya field. The house was remodeled for a parsonage and a combination chapel-kindergarten building erected. Cost $2500. furnished by the Woman's Mission Board. Pastor, Rev. Y. Irokawa. The building was dedicated in September, 1923.

The Christian Endeavor Socicties of the North Carolina Conference, the Eastern North Carolina Conference, the Western North Carolina Conference, and the North Carolina and Virginia Conference, are listed in the "Sunday School Christian Endeavor Hand Book of Southern Christian Convention" under "Christian Endeavor Societies of the North Carolina Christian Conference." This book was the only source of information given **The Christian Annual,** and from it it was impossible to correctly give the conference membership of each society. The book was printed before the North Carolina Christian Conference was divided into its original number.

Loggers in Western Washington

THE CHRISTIAN CHURCH IN WESTERN WASHINGTON

Our church in Western Washington was started by Uncle Harvey Fry about the year 1898. Several of the Fry family moved to Chehalis County in the southwestern part of the State and Rev. Harvey Fry, who had been a lifelong member of the Christian Church, moved with them. Although a carpenter by trade he could not get away from the call to preach whenever opportunity offered, so he went from place to place walking through the woods and finally established churches at Johns River, Markham, and at Montesano. He built churches at these places doing much of the work with his own hands. Among the logging men who came under the influence of Brother Fry was a tall, raw boned, broad shouldered, and big hearted, logging preacher who had been reaching after the men who worked for him in the logging business, as well as the men of neighboring camps. His name was "Bill" Caldwell, a name loved and respected by logging men for miles around. He came to have so much influence in the Christian Church of that section that he was elected president of the Western Washington Conference.

During the early period of the work there Revs. F. D. Hutton, A. J. Golden, and J. C. Grafton, were pastors in the field with Brother Fry. In 1916 Rev. D. C. Loucks of New York was asked by the Mission Board to become the pastor of the Montesano church and since that time he has had excellent success. About that same year Rev. Omer S. Thomas, Home Mission Secretary, visited the field to study conditions. Rev. William R. Caldwell was asked to give his whole time to mission work among the logging men under the support of the Home Mission Board and he gladly consented to do so.

Since that time he has done a great work among the logging men in many sections of that great lumber country . He travels in what he calls his "Gospel Ford" which was furnished him by the good women of the church. Most of the work that he does is among the men in the camps so that there is little opportunity for organization. He organized a new church, however, a little over a year ago known as the Brooklyn Church.

Foreign labor is now being introduced into the logging business for the construction work so there is this new phase of the mission opportunity added. The church at Montesano forms the base for the work and Rev. D. C. Loucks as its pastor is a very important link in the organization through which our church is endeavoring to carry the gospel to the men of the big woods.

Brother Caldwell's work is becoming so well known because of his knowledge of labor conditions in their relation to not only morality and righteousness, but morale of labor, that camp owners and managers are asking him to come to their camps to work with the men. October, 1923, he took on one new camp and in co-operation with the Presbyterian Missionary organized a union Sunday-school.

Mr. Rainey is a native of North Carolina, and a member of the North Carolina Christian Conference. He was graduated from Elon College in 1920, and took his postgraduate course in Yale University. He is a young man of impressive personality, rare fitness for the ministry, and greatly devoted to his calling.

During the World War he served as a private in the ranks of the 118th Infantry, Thirtieth Division, known as the "Old Hickory Division." He was wounded twice and at the close of the conflict honorably discharged from the service.

M. J. LUARK

Rev. Mr. Luark was a pioneer minister of the Christian Church in Washington, having spent seventy years of his eighty-three in the Grays Harbor country, with occasional trips to Oregon and California, and to other counties of his adopted State. He was born in Madison County, Indiana, in 1839. Rev. D. C. Loucks, pastor of the First Christian Church, Montesano, Washington, said at his funeral, "Mr. Luark was a real child of nature, one who knew the name and purpose of every plant and shrub, every tree, every animal, and who was thoroughly familiar with the history of the Northwest, minutely and correctly." He left five one hundred dollar government bonds for The General Convention of the Christian Church.

OUR NEW HOME MISSIONARY

Miss Elizabeth Howsare, the daughter of Rev. and Mrs. McD. Howsare, is now the Director of Religious Education in the Roosevelt Government School for the Navajo Indians at Fort Apache, Arizona. She is the representative of the Home Missions Council but supported by our own Home Mission Board. Miss Howsare is a graduate of Defiance College and exceptionally well qualified for this work in which she is finding such joyful satisfaction. You will miss a great opportunity if you do not make generous contributions to your Sunday-school offering for Christian Education, for it is through our educational forces that young people like her are being inspired and prepared for such splendid Christian service.

Miss Elizabeth Howsare

McD. Howsare
Executive Secretary for the Department of Evangelism and Life Service.

Rev. Mr. Howsare is entering upon his second year of service as Executive Secretary for the Department of Evangelism and Life Service. He is a native of Pennsylvania, a graduate of Antioch College, and a field worker of experience. In his early ministry he spent a year in field work for the Ohio State Christian Association, and the year before his appointment to his present position, was in the field for the Department of Home Missions. With his natural energy, his ample experience, and his abiding faith in the value of the work he has undertaken, he enters the field well equipped for its cultivation.

CHILDREN'S YEAR

This year is to be known as "Children's Year," the full appreciation of which can only be expressed by the importance we attach to it, and the effort we put forth to emphasize the value of training the children for mission work.

An unusual amount and variety of most excellent material is available for use in training the children in the Sunday-school, Junior Endeavor and Mission Bands.

For instruction in Home Missions we have "Better Americans;" "Young Americans Picture Stories;" "America at Home." For Foreign study, "The Honorable Japanese Fan;" "Our Japanese Friends;" "Japan Primary Picture Stories;" "Boys and Girls of Japan;" and "Directions for Making a Japanese House." Then, too, there are the excellent sketches of our very own missionaries, both in the home land, and in Japan and Porto Rico. For any of these helps address Mrs. Emma S. Powers, Room 25, C. P. A. Building, Dayton, Ohio.

The books used in connection with the monthly programs of the Woman's Missionary Society are "The Child and America's Future," and "The Woman and the Leaven in Japan," and can be obtained from the Christian Publishing Association, Dayton, Ohio.

It was voted at the annual meeting of the Woman's Board, in October, that each Missionary Society be asked to make at least one child a Life Member of the Woman's Board during this year; and that the money thus raised be devoted to Americanization Work, at Haverhill, Mass., or the Japan kindergarten work.

Stovenour, Rev. Fred—Eastern Indiana Conference, was born near Cardington, Ohio, October 18, 1834, and died at his home in Portland, Indiana, March 6, 1923.

He spent the first twenty years of his life on a farm, during which he received as good an education as could be obtained at that time, and in that part of Ohio. He was an inveterate reader, for many years of his life reading as many as eighty volumes a year. By diligent application he acquired a liberal education, including a mastery of the "dead" languages, and one or two other languages besides his native tongue. He was a student of law, interested in politics, and concerned about the welfare of his country, and the whole world. Although encouraged by competent jurists to continue his legal studies, and to make that his life work, he chose the gospel ministry, and on the fifteenth day of February, 1863, was ordained to the work of the gospel ministry in the Baptist Church.

He was deeply interested in education; he aided in the establishment of the Ridgeville College, and for many years conducted private classes in theology, higher mathematics, and astronomy. It has been estimated that more than fifteen hundred young men, from all denominations, had recited to him in preparation for the ministry. The Ridgeville College conferred upon him the degree of Master of Arts, and the Defiance College the degree of Doctor Divinitas.

He served the Hannas Creek Christian Church as pastor for about twenty years. The writer heard him say that he had walked forty miles on a Sunday, and preached three times. He had been an ordained minister more than sixty years.

We had the complete reports of the Boards and Societies named on this page, but they were unaccountably misplaced, and diligent searching failed to discover them. The second reports came too late to be placed in the regular department of the woman's work. The Conference Boards are correctly given, and the names of the auxiliary societies of the North Carolina Conference are correct in name, but the officers, as given, are from the reports of last year, and while some of the persons named may not now be in office, they will serve as a means of approach to the societies. We regret very much the mishap, and hope that no serious harm may result from it.

The North Carolina Conference reported last year 13,289 members. The three Conferences, W. N. C., E. N. C., and N. C. and Va. reported this year 12,373 members. A loss of 916.

MINISTERIAL DIRECTORY

It has been the rule of The Christian Annual to insert in the ministerial directory only the names of ministers reported by the conference secretaries, and to this rule the editor has faithfully adhered, except in some cases where he knew ministers, because of age and distance from place of meeting, had discontinued their membership. This year, however, he takes the responsibility of inserting names not reported by any conference. This he does for the reason that he feels reasonably sure that they have been overlooked by the conference secretaries. Among the names thus reported are the following, and if there is any error, it occurs because of the failure of the conference secretary and the editor's desire to deal justly with his brethren. We are giving the conference membership as last reported to us—G. A. Conibear, L. C. Fletcher, N. M. Heikes, Miss Frieda Kirkendall, O. R. Mason.

LE PAGE INDIVIDUAL COMMUNION CUPS

2382 DUNDAS ST W TORONTO CANADA

REV. C. A. CLARK
Seoul, Korea, Japan

March 11, 1918.

LePage Communion Cup Co.,
Toronto, Ont.

Dear Sir:

Some years ago I was in America and bought from you a Communion Set with the pointed-top glass cups. I have used it for seven years with the greatest satisfaction, carrying it in my country boxes while itinerating all over the country among my Churches. I have sent it by horseback, cowback, and manback; by boat, cart, and train, and in all that time have broken only about 10 cups out of 250. I have served Communion with it hundreds of times.

Yours very truly,

CHARLES ALLEN CLARK.

(Since receiving the above letter we have shipped over 50 sets to Korea, all cash with order.)

ART GLASS WINDOWS
The Crowning Beauty of the Church

The whole aspect and interior of any religious edifice is largely contingent upon the character of its windows.

A SPLENDID TREATISE

has been prepared, giving not merely designs, but a comprehensive discussion of the Art from the remote past to the present day. It illustrates fragments of celebrated windows found in some of the old cathedrals of France and England, as well as modern Art Windows in which these designs, centuries old, have been used.

Those interested in beautiful churches should have a copy of *"The Crowning Beauty of the Church."* It is sent free. Merely mention this publication.
